

SMOKEY THE BEAR came to the U. P. State Fair by Conservation Department helicopter on Thursday and among those who welcomed him were (from left) Mrs. Ruth Butler of Houghton, chairman of the Fair Board of Managers; Judy Hartz, Menominee, second runner-up in the Fair queen contest; and Fair Queen Kathy LaMont of Munising (Daily Press Photo)

Races And Thrills Highlight Fair's Final Weekend

After greeting Gov. Romney today the U.P. State Fair moves into its final weekend program highlighted by stock car races and auto thrill shows on Saturday and Sunday.

Because of a busy schedule, Gov. Romney arrived in Escanaba at 11 a.m.—one hour later than originally announced—and visited the downtown business district and spoke at a luncheon at the Dells Supper Club before going to the Fairgrounds.

Gov. Romney spoke to the grandstand audience this afternoon, toured the grounds, viewed the exhibits and greeted Fairgoers, before returning to the Lower Peninsula.

Tonight at 8 o'clock the free grandstand show features the

appearance of the Northern Michigan University Camp Band of more than 200 members. The program will include vocal as well as instrumental numbers.

On Saturday, Veterans' Day, drum and bugle corps of the U.P. will be featured in a Salute to Veterans program before the grandstand at 2 p.m. The program is free.

Two afternoons of modified and sports car racing are scheduled for the Fair Saturday and Sunday. Races are scheduled before the grandstand on both afternoons at 2 o'clock.

Sunday's Fair program includes the Junior Rifle Tournament, with shooting beginning at 1 p.m. and the presentation of trophies to take place at a banquet to be held at 5:30 p.m. at Marco's.

Other features of the Saturday program are the open class horse show in the horse ring at 10 a.m., and square dancing in the evening starting at 7 o'clock.

Final program of the Fair is Sunday night at 8 with the Lucky O'Hara Thrill Show, followed by a spectacular fireworks display.

PROGRAM

U.P. State Fair SATURDAY Veterans Day

9 a.m. - Junior Rifle Tournament

10 a.m. - Open Class Horse Show

1 p.m. - Parade of Drum and Bugle Corps on Ludington St.

2 p.m. - Free Grandstand: U.P. Drum and Bugle Corps in a Salute to Veterans

5:30 - Junior Rifle Banquet at Marco's

7 p.m. - Square Dancing at Pavilion

8 p.m. - Grandstand: Modified and Sports Car Racing

LBJ Promised Aid Is Cheering News In Alaska

FAIRBANKS, Alaska (AP) — Buoyed by a presidential pledge of federal aid, flood-ravaged Fairbanks waited impatiently today for the Chena River to return within its banks so the urgent and massive recovery could get started.

The people—wanting only to get the community of 30,000 back on its feet before freezing weather sets in—were cheered Thursday when after weeks of rain, a brilliant summer sun shone on the city.

For the 15,000 residents forced to flee their homes and businesses, the return to buildings inundated by the swirling floodwaters will be only the beginning of a giant mop-up and reconstruction operation.

Only the roofs of thousands of homes showed above the dirty, debris-laden surface of the Chena when the flood hit its peak Tuesday.

State and local police officials today revised the earlier death count of seven down to five, saying two bodies apparently were counted twice by police and rescue workers.

President Johnson declared the region a major flood disaster area Thursday which allows the Small Business Administration to make long term, low-interest loans. The President also made \$1 million available for recovery work.

The Chena, which hits flood stage at a little over 12 feet, continued to drop slowly today. The U.S. Weather Bureau said it should back to within a foot or so of its banks by noon Saturday—barring further rains.

The latest forecasts were for mostly cloudy skies today, with the possibility of a few light showers and afternoon temperatures in the upper 60's.

Mayor H.A. Boucher said the flood has damaged 95 per cent of the Fairbanks business community, most of it seriously, and not a single home was left untouched by the river.

Crack Down On Welfare Faces Senate Battle

WASHINGTON (AP) — The House has passed overwhelmingly a massive Social Security overhaul that would raise benefits, hike taxes and crack down on idle state welfare recipients.

But it probably will be months before the extra money is flowing to some 24.2 million current beneficiaries because the Senate isn't ready to consider the legislation at once.

Moreover, a Senate conflict is brewing over those provisions of the House-passed measure intended to toughen federally aided state welfare programs.

"We're rough in this bill—make no mistake about that—but we don't mean to be inhuman," said Chairman Wilbur D. Mills, D-Ark., of the House Ways and Means Committee, during Thursday's debate on the measure.

Work Training Mills' reference was to provisions imposing income limitations on persons eligible for federally backed state Medicaid programs, requiring states to channel jobless welfare recipients into work or job training and limiting the proportion of children receiving welfare.

Under the measure, states could aid no more children than the proportion of children receiving aid in January 1967. The number could rise, but not their total proportion to the overall child population of the state.

"We are not penalizing any child," Mills told the House. But he warned taxpayers' revolt could wipe out welfare altogether unless limits were imposed. He said the measure ultimately should result in pushing 300,000 adult recipients off the welfare rolls and into jobs.

Broaden Base The bill the House approved 415 to 3 Thursday provides a minimum 12 1/2 per cent raise for Social Security beneficiaries.

It also calls for staged increases in the payroll tax that finances the program, with a first-step maximum \$44 jump—for those earning \$7,600 or more annually—to begin next year. That would come by expanding the taxable base from \$6,600 to \$7,600. Employers of such workers also would feel the added tax bite.

And it eventually would raise the current 4.4 per cent Social Security tax to 5.9 per cent in 1987. That would mean a maximum jump of \$158 for the worker earning \$7,600—provided there were no expansions of the taxable base or tax hike in the meantime.

Lower Widow Age The measure also would raise the amount of money a Social Security recipient could earn without reduction of benefits and lower to 50 the age at which disabled widows could draw benefits from a deceased worker's account.

The Senate Finance Committee has scheduled hearings beginning Tuesday on the bill. However, a long Labor Day recess will interrupt its proceedings and handlers of the measure.

DETROIT PATROLMAN Ronald August looks around courtroom after Recorder's (criminal) Court Judge Robert E. DeMascio ruled that he must stand trial for the murder of Aubrey Pollard. Pollard was one of three youths slain in the Algiers Motel during last month's riots in Detroit. (AP Wirephoto)

MRS. AUBREY POLLARD, mother of Aubrey Pollard, 19, who was slain at the Algiers Motel during last month's riots, leaves courtroom in Detroit. Patrolman Ronald August, charged with first-degree murder in the shooting of her son, was ordered to stand trial by Recorder's Court Judge Robert E. DeMascio. (AP Wirephoto)

Officer Faces Riot Death Charge

DETROIT (AP)—A white Detroit policeman remained free on \$5,000 bond today awaiting trial on first-degree murder charges in the shotgun slaying of a 19-year-old Negro at a motel July 26 during Detroit's riot.

Patrolman Ronald August, 28, a four-year police veteran,

Thursday was ordered to stand over for trial Patrolman Robert Paille, 31, who had been accused of first-degree murder in the slaying of Fred Temple, 18, at the motel.

The Wayne County prosecutor's office said it is still investigating the death of the third youth, Carl Cooper, 17.

In a statement to the homicide Bureau, August said he shot Pollard in self defense. He said Pollard "grabbed my shotgun." He said he pulled the trigger once and the gun didn't fire because the safety was on. Then Pollard grabbed the weapon again, and he shot him, the statement said.

By The Associated Press Racial violence flared anew in Syracuse, N.Y., Thursday night and early today, with more than a score of persons arrested, while in Louisiana 650 National Guardsmen and 175 state troopers were mobilized to escort a band of Negroes through Ku Klux Klan territory.

B52s Attack DM Zone Area

SAIGON (AP)—The U. S. Command announced today a near record number of air strikes on North Vietnam. B52 raids just above the demilitarized zone between North and South Vietnam, and bombing and naval shelling inside the zone.

The Communists derailed a train just outside Saigon and terrorist snipers attacked in the South Vietnamese capital.

Although ground fighting in the South remained scattered there were many sharp but limited skirmishes with at least 181 Communists killed in reported actions, the command said.

The intensified pace of the air war cost the United States its 643rd plane announced as lost over North Vietnam, an F105 Thunderchief shot down Thursday. The pilot was saved by a helicopter.

The coordinated B52 raids struck the demilitarized zone area early today, making it eight times within the past three days.

Up to 35,000 Communist troops are believed concentrated in the area, preparing for a possible attack on U. S. Marine outposts.

One raid went into the northern half of the DMZ and the other went into North Vietnam itself. The Air Force never discloses the number of the eight-engine B52s on any particular raid but the minimum number is usually three planes, with each carrying up to 30 tons of bombs.

The raids followed up shelling Thursday by the destroyer Dupont which raked targets throughout the six-mile wide zone. It was the second consecutive day of naval bombardment in the zone from which the North Vietnamese have staged repeated assaults on U. S. Marines just to the south.

The war was also carried to North Vietnam with 172 missions by American fighter-bombers.

14 Hurt In Oil Refinery Blast

TOLEDO, Ohio (AP)—An explosion in a cracking unit rocked the Standard Oil refinery in Oregon Township in east Toledo today, setting two fires and injuring 14 persons. No deaths were reported.

A spokesman for Standard Oil of Ohio said the explosion set off two separate fires, but the smaller blaze was brought under control quickly.

Cave-In Kills Youth At NMU Sewer Project

MARQUETTE—A Northern Michigan University student who was working on the campus as a summer employee of Brumm Construction Co. of Marquette was killed Thursday when a wall on a sewer excavation caved in, burying him alive.

Dead is Grant F. Frei, 19, of Marquette.

Authorities said he was buried alive in a 25-foot hole when one bank of the excavation collapsed at 1:07 p. m., covering him with 12 feet of dirt.

Laborers on the scene grabbed hand shovels and began digging, but it was 1:50 p. m. before Frei was found. He was pronounced dead on arrival at St. Luke's Hospital at 2 p. m.

Another Brumm employee, Thomas Bernard, 23, also of Marquette, was buried up to his chest in the cave-in, but his co-workers dug him out within minutes. He was not injured.

Were In Trench The cave-in occurred northeast of the Learning Resources Center site in the center of the west campus where Brumm, a subcontractor for Industrial Piping Co. of Marquette, is building a sanitary sewer line to serve the \$5.5 million facility.

Industrial Piping is the prime mechanical contractor on the project.

Marquette police said Frei and Bernard were in the bottom of the trench digging in preparation for installation of sewer pipe when the south bank fell in. A third Brumm employee, Lou Turowski, 40, of also of Marquette, had just climbed out of the hole and was about to re-enter it when the cave-in happened.

Fellow workers first used a scoop shovel, but then resorted to hand digging in efforts to rescue Frei, but it took them 45 minutes to find him. By that time, police and fire department ambulances were on the scene and a resuscitator was applied in an attempt to revive the victim. Dr. Eric Lincke, Marquette, deputy county medical examiner, arrived within minutes of the call for a doctor and rendered aid at the accident site, but eight minutes later at the hospital.

pronounced Frei dead of suffocation.

Tried To Escape An eyewitness to the accident, Everett Ramstrum, Marquette, was standing near a crane at the west end of the hole when the bank collapsed. He said the ground "just gave way without warning" trapping Frei and Bernard.

Bernard managed to elude the deepest part of the slide, but Frei attempted to run westerly and was caught about his feet, lost his balance, fell and was buried, Ramstrum told police. The crane operator, Ben J. Dougovito, confirmed the account.

Grant Fredric Frei, son of Mr. and Mrs. Frank Frei, was born Feb. 25, 1948, in Marquette, and attended Marquette Senior High School in his freshman and sophomore years. He graduated from Mannheim American High School in Germany in 1966, where his father was stationed with the U. S. Army.

He entered Northern Michigan University last fall and would have been a sophomore this year.

Cahan Suggests Jail Wait For Arrested Rioters

WHITE SULPHUR SPRINGS, W.Va. (AP)—All persons arrested during riots should be jailed for two or three days before bond is set, suggests William L. Cahan of Detroit, the Wayne County prosecutor.

"It's an interesting experience to spend two or three days in jail," said Cahan Thursday at a panel discussion at the annual conference of the National District Attorneys Association.

Cahan, one of five district attorneys from riot-struck cities on the panel, also said he was confident Detroit would obtain a large number of convictions of persons arrested during the riot because defendants were photographed with the arresting officer, often with stolen goods in the picture.

Cahan said about half of the 7,900 persons arrested during the Detroit riots had no previous convictions.

Racial Violence Hits Syracuse

By The Associated Press Racial violence flared anew in Syracuse, N.Y., Thursday night and early today, with more than a score of persons arrested, while in Louisiana 650 National Guardsmen and 175 state troopers were mobilized to escort a band of Negroes through Ku Klux Klan territory.

The South Side of Houston, Tex., was the scene of what police called deliberately started fires early today for the second day in a row. About midnight a steady stream of calls began pouring into police dispatchers from the predominantly Negro section.

Nine fires this morning brought to a total of more than 20 the number that Houston police described as deliberately set since the wounding Wednesday night of a Negro by a white service station operator. The wounded man later was charged with attempted robbery.

In Cincinnati, the National Council of Negro Women was told by its president, Dorothy Height, that many of the nation's riots could be blamed on civil rights legislation that brought "great expectations and no results."

Another piece of civil rights legislation, an omnibus bill costing \$30 billion annually to fight slum problems, was announced by Rep. John Conyers Jr., D-Mich., at the annual meeting of the Southern Christian Leadership Conference in Atlanta.

The second night of racial unrest in Syracuse, a central New York city of 220,000, including 17,000 Negroes, brought police tear gas into use to disperse unruly gatherings.

Hundreds of police and sheriff's deputies sought to enforce a dusk-to-dawn curfew imposed by Mayor William F. Walsh.

Jeering mobs smashed store windows and pelted police with rocks and bottles. One policeman was reported hurt after being struck in the head by a rock. Scattered looting was reported.

President On TV

WASHINGTON (AP)—President Johnson holds a news conference today amid a dip in his poll showings, congressional resistance to some key administration proposals and widespread debate over his Vietnam policy.

The 3 p.m. EDT nationally broadcast and televised session, is the first such announced-in-advance Johnson news conference since March 9.

State Agencies Train Workers

LANSING (AP) — State agencies have been authorized to institute a work training program to prepare hard core unemployed for state civil service jobs, Gov. George Romney announced Thursday.

The governor said the Department of Civil Service is notifying the principal state departments of the special employment program—developed by Civil Service and the Michigan Economic Opportunity Office.

The program would allow departments to hire clerical and service aides on a trainee basis for a limited term up to one year.

They would be used in maintenance, conservation, nursing, laboratory and clerical jobs and would be paid at rates ranging from \$1.25 to \$1.75 an hour.

On-the-job training and counseling would be provided with the ultimate objective of qualifying the trainees for a regular state classified position through the civil service open competitive examination program.

Precipitation probabilities: today, 40%; tonight, 10%; Saturday, 10%.

Lake Michigan — Small craft warnings in effect. Northeastern winds 15 to 18 knots north half this morning increasing to 20 to 25 knots this afternoon and tonight.

Sun sets today at 7:52 p. m., and rises Saturday at 5:55 a. m.

LBJ Toasts Commit U.S.

WASHINGTON (AP) — Two dinner toasts President Johnson offered in honor of foreign leaders were certified by the State Department as pronouncements ranking among the nation's defense commitments and assurances.

The toasts are included in an intricate, interwoven array of treaties, communiques, comments and memoranda listed by the department as documents bearing on the action the United States would take if another country were the victim of aggression.

The compilation of overseas ties, 71 pages long, was submitted Thursday to the Senate Foreign Relations Committee.

Among the items on the State Department list are a news conference reply by Vice President Hubert H. Humphrey in Korea on Feb. 23, 1966, and the seventh annual message of President James Monroe, on Dec. 2, 1823.

That message pronounced the Monroe Doctrine. Humphrey said the entire power of the United States is committed to the security and defense of Korea.

The State Department report was an updated version of a defense pact listing filed a year ago with the Senate military preparedness subcommittee.

It covers collective defense treaties linking the United States with 42 nations, along with notes and memoranda on their terms.

But 40 pages of the State Department report comprise a list of official declarations, and the Johnson toasts are under that heading. So is the Monroe Doctrine.

The department quotes the toast Johnson offered King Bhumibol Aduldet of Thailand, in Bangkok, on Oct. 26, 1966:

"Let me assure you in this regard that Thailand can count on the United States to meet its ob-

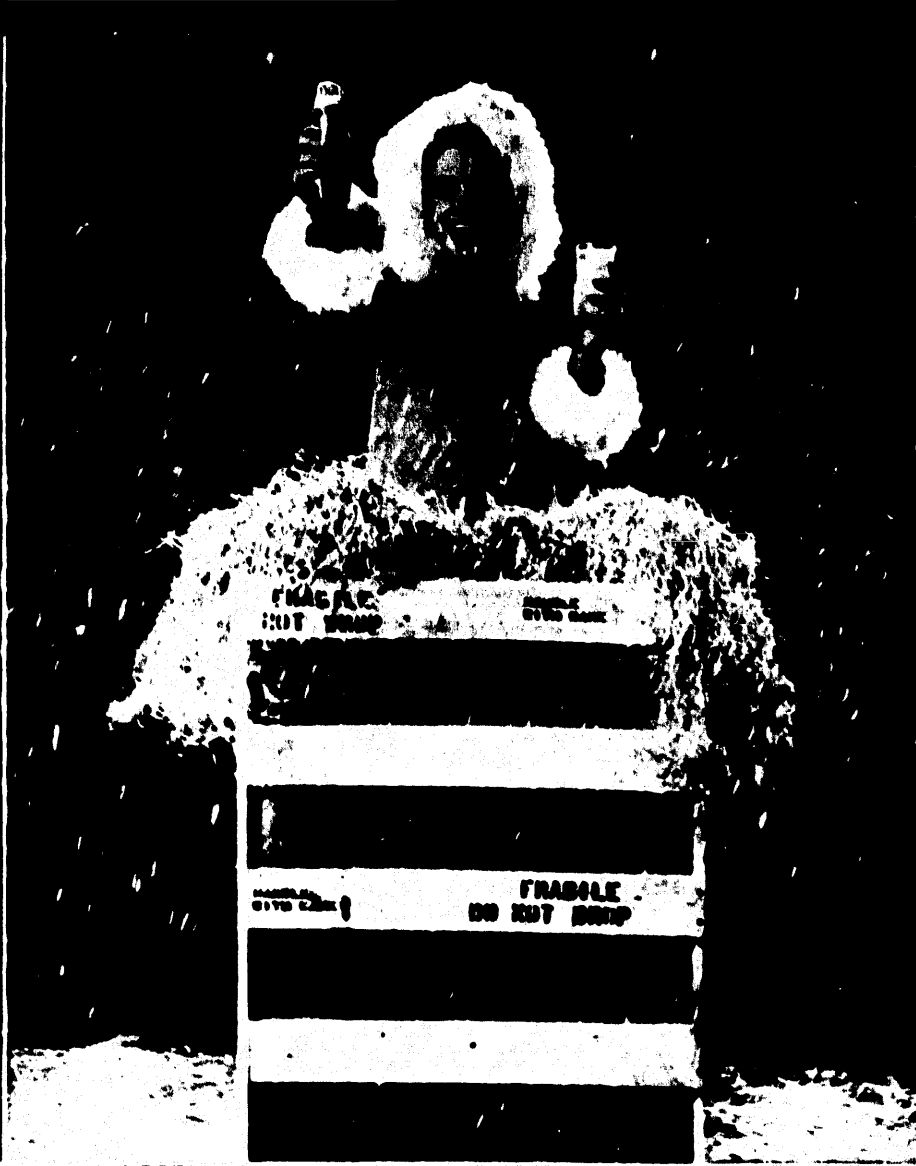

ligations under the SEATO Treaty. The commitment of the United States under the SEATO Treaty is not of a particular political party or administration in my country, but is a commitment of the American people.

"I repeat to you: America keeps its commitments."

The SEATO—Southeast Asia Treaty Organization—pact was one of two items cited by Undersecretary of State Nicholas Katzenbach before the Foreign Relations Committee in arguing that Congress has passed on and approved the war in Vietnam.

The treaty was approved by the Senate Feb. 1, 1955.

The other: The joint resolution adopted by Congress three years ago—amid naval warfare in the Gulf of Tonkin—approving all necessary measures to prevent further aggression.

The Blizzard Girls bring you the frosty taste of Fresca.

The Blizzard Girls for Fresca invite you to taste the most refreshing drink in the world. Icy, biting, chilling, freezing Fresca. And it's sugar-free. Bring home a carton or two. And maybe put on your own parka, even if the temperature is 90. To prepare yourself for the frosty taste of Fresca. It's a blizzard.

Aged Must Have Home, Says City

The members of the Escanaba City Council, who are also members of the County Board of Supervisors, briefly discussed the current Delta County problem of its nursing home in meeting Thursday night.

The Delta Nursing home is threatened with closing by the state because of safety factors. The date set for closing is Oct. 1 unless there is an extension. Councilman H. George Nelson broached the subject with the comment that perhaps Gov. Romney should visit the Delta Nursing Home to see conditions there, as well as stop at the Bishop Noa Home for Senior Citizens when he visited Escanaba for the Fair.

"Perhaps he could do something about the closing," Councilman Nelson said.

Mayor Harold Vanlerbergh reported that meetings are being held and that he is hope-

ful that the Nursing Home will be kept open.

"I would like to assure those people that they are not going to be kicked out in the street," said the Mayor.

Councilman Ed Cox noted that the problem is definitely the responsibility of the Delta County Board of Supervisors. (On call of Chairman Charles Sedenquist the County Board will meet in the Court House at 8 p. m. Aug. 24.)

The Nursing Home building is under consideration for continued use, said Mayor Vanlerbergh.

"Even if we have to spend \$28,000 for a sprinkler system and the building must close later, who is it that would put a price on one human life?" he said.

The County Board will face up to its responsibilities in the matter and there is expected to be a solution to the problem of housing for the elderly there, he added.

"We are all members of the County Board," he observed to the Council.

In other business the Council approved breaking the Ludington St. curb in the 700 block to allow an exit drive on the east side of the Northern Michigan National Bank. The Bank is developing an improved drive-up facility on the east side of the building, with entrance from the rear and exit into Ludington.

A system of mirrors will provide safety vision for both auto and pedestrian traffic the Council was assured.

Burglary Loss Is About \$344 At Gas Station

The Clark Gas Station at 1325 N. 21st St. was broken into last night and about \$344 is missing, it is reported by city police.

Entrance was gained by breaking the lower portion of a door. The money was taken from a desk drawer and by forcing open a cash box.

Workers Killed

WEYMOUTH, Mass. (AP) — Two civilian workers were killed and five were hurt today when three 60-ton concrete beams crashed 70 feet to the ground at a hangar construction project at South Weymouth Naval Air Station.

DR. DONALD FITCH, left, one of seven Escanaba men associated as Willow Creek Developers, Inc., talks over proposed plans for new 60-bed Medicenter in Escanaba with Jack Glasscock of Memphis, Tenn., professional representative with Medicenters of America, Inc. It is hoped construction on the facility will begin this fall with completion next spring. (Daily Press Photo)

New Medicenter Facility Virtually Assured Here

A new 60-bed extended care facility for Escanaba and Delta County was virtually assured Thursday by a representative of Medicenters of America, Inc., and Willow Creek Developers, Inc., of Escanaba.

Jack Glasscock of Memphis, Tenn., professional representative for Medicenters, said construction of the proposed new facility to be located across from Doctors Park near Escanaba Area High School is expected to get underway this fall with completion scheduled for the spring of 1968.

Glasscock emphasized that plans are all subject to Michigan Health Dept. approval, but that no difficulties are anticipated.

Dr. Raymond Hockstad of Escanaba, one of seven Escanaba professional men associated as Willow Creek Developers, Inc., said he hoped the proposed plans would lead to an extension of the Oct. 1 closing deadline set by the state for the Delta Nursing Home until the new facility is completed.

Application Filed Although the new Medicenter will not be designed specifically as a senior citizens home, he explained, it would be able to care for many of the patients now housed at the home, particularly those in need of nursing care. County authorities have requested an extension, pending the completion of the new facility.

Hockstad said Willow Creek Developers have filed an application with Medicenters of America for a franchise and Glasscock indicated acceptance is expected next week.

"Medicenter has to accept our application," Hockstad said. "As soon as they accept our proposal they will start drawing preliminary plans to present to the State Health Dept. for approval."

Glasscock said consideration of a Medicenter building for Escanaba—the first in the Upper Peninsula and one of some 400 eventually planned across

Gem Club Crowns Gift To Schools On Display Here

The public will have the opportunity to view at close range the two crowns fabricated by the Bay de Noc Gem and Mineral Club last year and presented to the two Escanaba high schools.

The club members wanted a project that would help make their avocation better known and understood and at the same time offer something to the Bay de Noc area that would epitomize the work of the gem crafter or lapidarist as he is correctly named. The crowns were presented to the two largest schools in the Bay de Noc area, the Escanaba Area Public High School and Holy Name High School.

The crowns will be a focal point of the free exhibition to be held in the commons area of the Escanaba Area High School during the gathering of "rock-hounds" from all over the U.P. and the Midwest for the Bay de Noc Gem and Mineral Club "rock swap."

Visitors are to use the west parking lot and entrance.

the nation—has been underway for several months.

Need Confirmed "We've conducted an analysis of this area and found that there is a need and it is feasible to construct a building here," he said.

The Medicenter concept was developed and is sponsored by Wallace E. Johnson and Kemmons Wilson, president and chairman of the board, respectively, of Holiday Inns of America, Inc. In the national plan, eight Medicenters are open, eight are under construction and about 30 are in various stages of project research or on the drawing boards, Glasscock reported.

Besides Dr. Hockstad, men associated in Willow Creek Developers are Dr. Donald Fitch, Dr. Roger Beauchamp, Dr. Byron Zani, Dr. Edward Kuivenen, Dr. James Gordon and Richard Fryal.

"Medicenter is an intermediate facility specialized for the needs of non-acute patients still under medical care—both young and old," Glasscock said. "The program is designed to provide inpatient care between intensive hospitalization and a return to a normal and active life. This facility

will be available to patients age 15 and over regardless of the length of stay."

The plans proposed for the Escanaba facility call for a single-story building to be constructed across the street from Doctors Park. The architecture would be similar to that of Doctors Park.

Expansion Planned Included in the building would be barber and beauty shops, physical therapy rooms, examination and treatment rooms, dining room, kitchen, nurses stations and activity and recreation room. About 35 people would be employed.

"It is planned to expand the building to 120 beds as soon as it is necessary and feasible to do it," Hockstad said.

"Although the building will be located across the street from Doctors Park, any doctor may have patients admitted to the facility," he emphasized. "The reason for building across the street is to provide an emergency service in event a patient's regular physician is not available."

Medicenter of America requires that its buildings be constructed within three blocks of a hospital or "good" medical clinic, Glasscock said.

Parking Lot Gets City 'Go' Signal

With assurance that private fund participation will be forthcoming, the City Council last night gave the "go" signal to acquisition of properties for a proposed downtown parking lot.

The project calls for the establishment of a parking lot in the 1100 and 1200 blocks of 1st Ave. N., the area to be bounded on the south side by the alley between 1st Ave. S. and Ludington St.

The proposal in brief is: ● To have the city acquire six parcels of land in the parking area at a total estimated cost of \$71,450, which is the value established by appraisers.

● The commercial property owners in the adjacent area who would benefit from the public parking lot will contribute \$55,000 in private funds to help defray the cost.

● The city will pay the remainder and will also pay for the cost of improving, paving and lighting the parking lot.

The Council moved to authorize City Manager George Harvey to proceed with the acquisition after Mayor Harold Vanlerbergh reported that the Council had met with Forrest

Henslee of the property owners' committee and that the private funding is virtually assured.

The motion to proceed with the project was made by Councilman George Rusch supported by Councilman Ed Cox.

Laurium Man On Advisory Board

LANING (AP) — The State Board of Education has added seven members to its Citizens Committee on Education for Health Care and filled one vacancy on the special Education Advisory Committee.

New members of the health committee, which advises the board on health matters, are: Myrtle Black, Flint; Carl Brable, Rossville; Willard Cheek, Flint; Father Hugh Conklin, pastor of St. Mary's Church, Pinckney; Edward Davis, Detroit; Robert Miller, Battle Creek; and Dr. Kenneth Rowe, Laurium.

It takes only 13 minutes to change some jet planes from daytime passenger carriers to nighttime freight haulers.

State Police Get 1st Negro Today

EAST LANSING (AP)—Michigan's first Negro State Police trooper was sworn in today and realized a life-long ambition. "It proves that anyone with the desire can make it," smiled trooper Jack Hall. "Ever since I was a kid I've admired policemen."

Hall stands and even sits with a military stance — perhaps the effect of the rugged training course he just completed. He is outgoing in personality and has obvious pride in his trooper's uniform.

"It was a real tough course," he said of the recruit training. "He was above average in his class," interjected Sgt. Raymond Cook, assistant commander of the State Police Training School. "He rolled with the punches with the rest of them."

48 In Class There were 48 trooper graduates today. There were 28 who flunked out of the rigid training course.

"I didn't think much about my being a Negro," said Hall, who became the "Jackie Robinson" of State Police as the first Negro trooper.

Hall was an officer on the Benton Township police force for 4½ years before he decided to apply for State Police. He is 26, married and has two children.

"I just want to do police work in general," he said. "I'll take any assignment."

"As far as he is concerned, we're color blind," said Col. Frederick Davids, state police director. "He'll be treated the same as anyone else. At first he'll be assigned to work with a senior officer. This will be a part of his continuing training. Then his future assignment will be up to the post commander."

"Perhaps this will serve to kill the myth that Negroes can't get a job on state police," Davids added. "It will show that there is no reason other than Negroes can't make it."

Davids said Hall might be faced with some problems as the first Negro State Police trooper.

"But we have confidence in him," the director said. "We are sure he can handle anything that comes up."

State Police have been under

fire from Negro groups and leaders because there previously never has been a Negro trooper. Several started the training school but dropped out before graduation.

Davids said he and former State Police directors have been actively trying to recruit Negro trooper candidates.

Senator Complained Sen. Coleman Young, D-Detroit, had complained that State Police were not recruiting Negroes hard enough and demanded a state civil service investigation. Young also questioned the fact that several Negro candidates flunked out.

The State Civil Service Department said rigid standards screened out a high percentage of all candidates and found no discrimination in the State Police against Negroes. The department has Negro employees in other than trooper positions.

"We could use some more Negro troopers," Davids said. "Maybe we'll be able to get them now."

Better Showing Of Vegetables, Fruits At Fair

Fruits and vegetables of approximately 20 varieties are attractively arranged in the exhibition building at the U.P. State Fair this year.

"The products are much better than last year," said Frank Degener, Norway, the superintendent of the department. "Most exhibits are from either Norway or Bark River."

A few of the outstanding prize winners in the general classification are Mrs. Edward E. Bal, Norway; Henry Caron, Escanaba; Amy and Ruth Bero, Escanaba; Phil Jensen, Norway; Fruits, Mike Miskovite, Bark River and Mrs. Arvid Bergdahl, Skandia.

Potato division Robert Wright of Marquette took first place in the late and Larry Steele in the early potatoes. Russell Beauchamp of Escanaba took second in both early and late.

In field crops Michael Verbisky, Carney and Ernest Vivio, Norway were the top winners.

Thousands Of Artifacts Found In Diggings At Sault

SAULT STE. MARIE — A team of archaeological students literally digging into Sault Ste. Marie's 300-year-old past has uncovered the walls of two ancient forts and a rich haul of 9,000 artifacts.

The walls are those of Fort de Repentigny, built here by the French in 1751 when Sault Ste. Marie was a center of the thriving Great Lakes fur trade, and Fort Brady, built by U. S. troops in 1822.

Restoration of both forts is planned by Sault Historical

Sites, a nonprofit corporation dedicated to celebration of the Sault Tricentennial next year. The city was founded in 1668 by Father Jacques Marquette, a French missionary-explorer.

Lyle M. Stone of the Michigan State University Museum is in charge of the team of six students who have been carefully sifting through the Sault's past for the last ten weeks. This year's dig ends Aug. 20 and will resume next June.

The digging site is on the Sault waterfront at the eastern end of the Sault Locks, at what was once the foot of the famous Sault Rapids before the locks were built. Part of the digging is in Sault Locks Park and part is on grounds of the nearby Federal Building.

Thousands of artifacts dropped or discarded during the past 300 years and more include hand-cut square nails, glass and ceramic fragments, bone, gunflints, mill ry buttons, beads, buckles, the lockplate of an ancient musket, and Indian ceramics, pipes and a pipe bowl.

The artifacts were roughly in three layers, indicating the

history of the site. The top layer was European, the second was Indian mixed with European, and the third layer in which the pipe bowl was found was pure Indian.

Stone said there were indications that the walls of Fort Brady were partially superimposed on those of Fort de Repentigny, which may present a problem in restoration. The original Fort Brady was moved to higher ground overlooking the locks in 1893.

Teachers Snub Call To Talks

DETROIT (AP)—Gov. George Romney failed to talk the Detroit Federation of Teachers into an earlier bargaining date Thursday and ran into a cross-fire of criticism.

Romney wanted the DFT, which represents Detroit's 11,000 teachers, to start bargaining with the school board before Aug. 28.

Mary Ellen Riordan, president of the DFT, replied, "We expect to resume negotiations Aug. 28. It is our belief there is sufficient time before school opens to reach an amicable agreement. We will proceed on that basis."

The federation also refused to attend a mediation meeting called for today in the offices of the Michigan Labor Mediation Board.

Mrs. Riordan attacked the governor, saying, "You failed in your responsibility last spring when you didn't ask for one penny more per child in school aid than the previous year."

She said the governor "looked to school supporters to build the pressure which would insure a fiscal reform bill last spring. But as fiscal reform measures worked their way through the Legislature, the governor refused to support any provision for improvement in school aid."

Mrs. Riordan criticized the governor for not seeking increased school aid from the Legislature in its Oct. 10 special session.

Romney retorted, "You know you said some very harsh things and you said some very untrue things."

He said it was the Legislature's unwillingness to pass fiscal reform that resulted in school appropriations not being greatly increased. "It was necessary to get tax reform to get additional revenue," he said.

Postal Services Day Is Offering Zip Code Help

Postmaster James E. Pryal reported today that on Postal Services Day, Sept. 20, letter carriers will bring delivering to every household a kit of eight postal cards which can be mailed back to the post office to obtain the ZIP Codes for "zipless" addresses.

Each completed card will be sent to the post office which services the address needing a ZIP Code. There the proper five-digit number will be added before the form is returned to the sender.

No postage will be needed on the cards.

Pryal said ZIP Code is "the key to better service and we want to make it as easy as possible to obtain the codes as needed to fill out personal mailing lists."

Each of the eight postal cards in the kit will contain a message encouraging the general use of ZIP Code. There will be a ninth card of instructions. All will be folded together like a closed accordion. There will be perforations between each form. In addition, another separate card will be delivered along with the kit which is a reminder of the local ZIP Code.

Lake Huron Beach Hit By Sticky Oil

SARNIA, Ont. (AP)—Eight miles of Lake Huron Beach north of here is coated with sticky black oil.

The oil started washing up on the summer-home area last week. It stretches from two miles north to Sarnia to Blue point.

The oil first appeared after a 30-knot wind which whipped up the lake last Wednesday and Thursday and residents say it appears to be bunker oil, cheap ship fuel, or a type of tar.

Similar pollution has appeared on the nearby U.S. shore just south of the Blue Water Bridge which links Sarnia and Port Huron, Mich.

Garden Peninsula

St. Anthony Circle of Kates Bay will be held at the home of Mrs. Lawrence Anderson Thursday evening, Aug. 24.

THERE ARE MORE HORSES than ever at the U. P. State Fair this year as the popularity of riding increases among both farm and city folk. Among the riders and their horses

entered in the parades and show competition at the Fair was this group. The Junior Saddle Horse Show was held Thursday afternoon.

Kelley Rules MSU Plan OK

LANSING (AP)—Atty. Gen. Frank Kelley today upheld the legality of the sliding scale tuition plan adopted by the Democratic majority on the Michigan State University Board of Trustees.

Kelley, a Democrat, also said the legislature may not constitutionally enact a statute prohibiting the trustees from adopting such a plan.

Said Kelley in his opinion: "While this office takes no position on the wisdom of such a plan, as to its legality the tuition plan, based generally on parental gross annual income, does not violate the equal protection clause of either the federal or state Constitutions."

Kelley said the burden to establish eligibility for tuition at an amount lower than the maximum rests upon the parents or students involved.

"I find no authority in the board of trustees to legally compel a parent of a Michigan State University student to disclose his or her income to the authorities of the university," Kelley said.

"At the same time it should be observed that if the parent refuses to provide information to show need and ability to pay, the university can rightfully assume that his or her income is \$16,000 or in excess."

"Such a student thus could be required to pay the maximum tuition," Kelley said.

Kelley, incidentally, has a daughter, Karen, who is a senior at MSU.

Three MSU Republican trustees conferred with Gov. George Romney Thursday, trying to figure out a way to block the proposed tuition plan.

Subpoenas Are Authorized For House Bank Quiz

WASHINGTON (AP)—The House Banking Committee has voted to authorize subpoenas for the records of any of 49 banks, four of them in Detroit, whose connections with other institutions are under study by a subcommittee.

A spokesman said the action Thursday does not necessarily mean that subpoenas will be issued to all the banks. Some have already provided information voluntarily. Others, he said, have asked for subpoenas as a matter of protection.

The Detroit banks were the Detroit Bank and Trust, the Michigan Bank, Manufacturers National Bank and the National Bank of Detroit.

The subcommittee investigation recently has been concentrating on the possibility of control or major influence over nonbanking institutions through bank stockholdings, voting power over stocks administered in trust, interlocking management and directorates.

Senators Inspect Tourist Facilities

LANSING (AP)—Four state senators, members of the Conservation and Tourist Industry Committee, will take a three-day tour of eastern Michigan Michigan tourist sites and facilities, starting Tuesday.

The senators are Gordon Rockwell, R-Mount Morris, committee chairman, L. Harvey Lodge, R-Waterford, Oscar E. Bouwsma, R-Muskegon and Arthur Cartwright, D-Detroit.

Objectives of the tour, to be coordinated by the East Michigan Tourist Assn., include a review of the current summer vacation season with local businessmen, inspection of public and private tourist sites and facilities.

Pope Revamps Roman Curia

VATICAN CITY (AP)—Pope Paul VI today shook loose four centuries of iron control by the Roman Curia in governing the Roman Catholic Church by reducing Curia terms from lifetime to five years and revamping the Curia from top to bottom.

The changes were outlined in a 15,000-word document entitled "De Romana Curia"—on the Roman Curia.

The document—long advocated by Church progressives and bitterly opposed by conservatives—was four years in the making. It took longer to produce than any other document in Pope Paul's reign.

It is part of a continuing process in reforming the traditionally conservative and Italian-dominated Curia. The reform was recommended by the Ecumenical Council.

Ends Italian Power In the document Pope Paul promised to end Italian domination of the Church's central governing body and make it truly representative of "the universal church."

He ended the tradition of lifetime jobs for Curia cardinals and their subordinates, depriving them of the tenure that kept the Curia members in positions

Menominee To Send Students To U-W Center

MARINETTE — Adults in Menominee County and elsewhere are eligible to enroll in college credit courses at the University of Wisconsin, Marinette County Center. There are no admission requirements for adults.

Recent high school graduates and adults from Menominee County can attend the Center at in-state tuition costs, he said. The reciprocity agreement recently signed between Michigan and Wisconsin provides for this.

There will be courses in the social sciences, humanities and other areas. Students can "audit" a course on a non-credit basis or take it for full credit, he said. Fees are required in either case.

Obituary

EDMUND J. LECLAIRE

Funeral services for Edmund J. LeClaire were held at 9 a.m. today at All Saint's Church with Mgr. Matt LaViolette officiating. Burial was in Gardens of Rest Cemetery. Pallbearers, members of the American Legion August Mattson Post 71, were Gideon Sloan, Hubert Erickson, Carl P. Johnson, Frank Quinn, Joe Creten, and Walter Larson. Military rites were conducted by the August Mattson Post with Warren Brown, chaplain. William Severinsen was in charge of the firing squad.

HUGO BJURNES

Funeral services for Hugo Bjurnes were held at 11 a.m. today at the Trinity Lutheran Church with Rev. George Olson of Rapid River officiating. Burial was in Lakewood Cemetery. Pallbearers were David Thorsen, Roland Jacobson, Robert Liedman, Ralph Bjurman, Art Meisler and Art Sundstrom.

JACK A. ANDERSON

Funeral services for Jack Arvid Anderson were held at 2 p.m. today at the First Lutheran Church in Gladstone with Rev. Reuben Carlson officiating. Burial was in Fernwood Cemetery. Pallbearers were Ervin Anderson, Elmer Holm, Elmer Nicholson, Loyal Sigfrid, Arni Johnson and Herman Rilmann.

Two Complete Airline Office Job Training

Christine Guenette

Christine Guenette, daughter of Mr. and Mrs. Ernest Guenette, 1201 8th Ave. S., and Roberta Christiansen, daughter of Mr. and Mrs. Harland Christiansen, Wilson, have completed courses in airline reservations and ticketing at the Gale Institute, Minneapolis.

Both have accepted positions as reservationists. Miss Guenette with the Delta Airlines in Chicago, and Miss Christiansen with the Northwest Airlines in Minneapolis.

Wounded Farmer Tied To Post; Fire Kills Three

ST. CLOUD, Minn. (AP)—A wounded farmer was found tied to a clothesline post with a black hood draped over his head early today, as flames destroyed the farmhouse in which his wife and three children died, the Stearns County sheriff's office said.

Authorities were unable to account for a fourth child.

David Hoskins, 32, was taken to a St. Cloud hospital and was reported in critical condition with bullet wounds in the chest and stomach, the sheriff's office said.

The farmer was unable to give officers a clear picture of the tragedy at his farm home about 60 miles north of Minneapolis.

Sheriff's deputies said the body of Mrs. Hoskins, Loreta, 29, and three children were found in the burning embers of the farm home.

Relatives identified the couple's children as Julie, 7; Darla, 5; Linda, 1½, and a baby, David Eli, 6 weeks.

Hodgkiss Is Low Soo Road Bidder

LANSING (AP)—The State Highway Department has announced low bidders on 20 construction projects in 17 counties totaling \$31 million.

The projects included: Chippewa County—Two miles of grading and paving on I 75 business spur in Sault Ste. Marie, and grading and paving on I 75 business spur at Three Mile Rd., Hodgkiss & Couma, Petoskey, \$94,945.

Romney Speaks On Pollution

CHARLEVOIX (AP)—Gov. George Romney will speak on air and water pollution at a dedication Monday of the new \$25 million Madusa Portland Cement plant at Charlevoix.

The plant, a complex of buildings housing highly automated equipment, will employ about 100 workers, according to the company.

Liability Is Denied By City

The City of Escanaba "denies any and all liability" for damages in the injury of Mark Olson, 15, at the Ludington Park beach on June 22, attorneys for the youth and his parents, Mr. and Mrs. Leonard Olson of Escanaba have been notified.

John G. Erickson, city attorney, advised that "in addition to the defense of contributory negligence, the City is exempt from liability under the doctrine of governmental immunity."

The boy injured his neck when he slipped while diving from a lifeguard stand at the beach.

He was first at St. Vincent's Hospital in Green Bay and is now in the rehabilitation center in the University of Michigan Hospital, Ann Arbor.

Asian Scholars Protest Policy

ANN ARBOR, Mich. (AP)—A group of experts on Far Eastern affairs took time out Thursday from a scholarly meeting at the University of Michigan to denounce U. S. policy in Vietnam as a threat to world peace.

The protest meeting drew about 500 persons, mostly from among the 2,000 delegates to the 27th Congress of Orientalists.

The meeting was organized by seven scholars, four Americans, two Frenchmen and one Briton, apparently because the agenda of the congress contained no section specifically devoted to discussing the Vietnam situation.

One of the speakers was Owen Lattimore, a former State Department policy adviser and professor at Johns Hopkins University who was attacked as a Communist sympathizer in the early 1950s by the late Sen. Joseph McCarthy, R-Wis., during the latter's hunt for alleged subversives.

Lattimore is now head of the Department of Chinese Studies at Leeds University in England.

Lattimore said it was a "dreadful commentary" that the United States was "unable to learn from history" and was repeating mistakes Japan had made with regard to Asia.

"The worst way to oppose communism is to use methods which recruit Communists faster than they can be swallowed," Lattimore said. "Today Uncle Sam is the chief recruiter for communism in Asia."

Briefly Told

The men of the Evangelical Covenant Church in Escanaba will gather for a painting bee at the parsonage Saturday morning. Members are asked to bring ladders, brushes, rags and sandpaper.

The Escanaba Lions Club will host Lions of Delta County at a golf outing Monday at the Escanaba Country Club. Dinner will be served at 7:30 p.m. Members are asked to arrange their own foursomes.

Saturday's Picture of the Day in the art department at the U. P. State Fair was chosen from the junior section of the exhibit. It is titled "Fighting Bull" and is a strong drawing on toned background. Pat Derkins of Escanaba is the artist.

Harold E. Peterson, 31, of Santa Cruz, Calif., was injured when his car went out of control and struck a tree west of the city on Memory Lane at 6:18 p.m. Thursday, city police reported. He was treated at St. Francis Hospital and released.

Marriage license applications have been made at the County Clerk's office by Glenn David Stenberg, Rte. 2, Bark River, and Susan Marlene Pepin, Rte. 1, Bark River; Reginald Robert Depuydt and Linda Darlene Smith, both of Perkins, and by John Roland Lindstrom, 1408 6th Ave. S., and Barbara Ann Klug, 9 N. 2nd St., Wells.

Judge Bernard H. Davidson has granted the following divorces in Circuit Court: Leona Johnston from Clayton Johnston; Georgia Peterson from Ray Peterson; Kathleen Kurth from Michael Kurth; Mary Ann Cavadae from George Cavadae; Barbara Besaw from Theodore Besaw, and Fred Thennes from Hattie Thennes.

Diver training has been added to the list of enlistment options available to young men entering the U. S. Army.

The anticipated reporting date for the first class will be Aug. 23 with the starting date, Aug. 28; the date for the second class will be Oct. 18 with a starting date of Oct. 23. There will be only 16 spaces in each class and they will be filled on a first-come first-served basis. Complete qualification details and information may be obtained from U. S. Army Recruiting Station, Escanaba.

15 Will Follow Flint's Mayor

FLINT (AP)—Fifteen city officials have said they will follow him out of office if Mayor Floyd J. McCree resigns Monday as threatened.

McCree, a Negro, is protesting the city commission vote against a proposed open occupancy housing ordinance. He has said he will resign both as mayor and as a city commissioner as a result of the 5-3 vote against the bill last Monday.

All the officials threatening to resign in his wake are appointees. Thirteen are Negroes.

The officials involved, most appointed by McCree, include all five Negro members of the Human Relations Commission, all six Negro members of the Genesee County Board of Supervisors, a Negro member of the Hurley Hospital Board of Managers and three members of the city advisory board for urban renewal.

Meanwhile McCree entered a hospital Thursday for treatment of a stomach disorder and exhaustion. A hospital spokesman said McCree was "not in serious condition at all, but he does require hospitalization." He did not indicate how long the mayor would be hospitalized.

Flint, a city of 200,000, has about 50,000 Negro residents. It is the largest city in the nation with a Negro mayor.

Trophy, Ribbon Winners Listed For Pony Show

An Escanaba rider was among trophy winners in the Open Class Pony Show at the U.P. State Fair Thursday afternoon.

Mary Walbridge of Escanaba in the pony under saddle division received the trophy for top honors, with the ribbon going to Charles Singler of Iron River.

In the champion mare or gelding, 46 inches, Singler's entry was the winner; and in champion mare or gelding 47 inches or over, the trophy went to Carol Sherbinow of Marquette and the ribbon to Mrs. Richard Schaaf of Ishpeming.

Mrs. Schaaf took the trophy for the pony in harness division, with a ribbon to Singler.

Donald Poe of the K. I. Sawyer Air Base was judge.

HOUSE OF COMFORT: Although designed for a large family, with a floor plan that permits four, five or six rooms to be used for sleeping, this two-story house places special

emphasis on comfort, with its principal rooms of generous proportions.

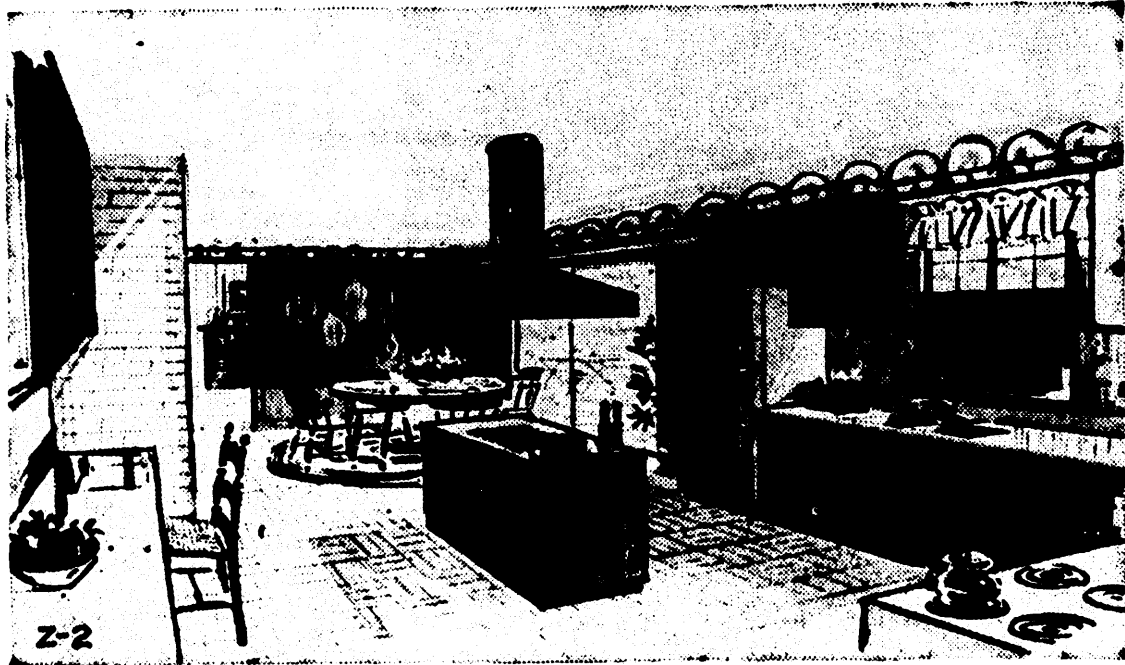

A House For Large Family

Want Beautiful New Kitchen Cabinets By Nevamar?

"Let Roy Do It!"

Call ROY NESS SALES
1807 16th Ave. S.
ST 6-2234

More people get more news from newspapers than all other sources combined.

HUGE KITCHEN-BREAKFAST ROOM: Few kitchen-breakfast room combinations can boast an area large enough to include a centrally-located barbecue with walking space all around it.

By ANDY LANG
This is a house for a large family. It provides up to six bedrooms in an arrangement with ample flexibility over a period of changing requirements. Yet it has fairly modest over-all dimensions — 60' by 47', which includes a two-car garage.

Putting that much house within those boundaries is possible when there are two stories. And in this particular two-story house, architect Herman H. York has done a good job of designing a really livable home. Note for instance, that the living room is 25' long, the family room almost 22' long and the combined kitchen-breakfast room 24' long, insuring spacious living for a family large enough to require anywhere from four to six bedrooms.

Also planned into this house are many seemingly small items which nevertheless provide extra convenience, such as the area leading from the garage into the foyer. There is a clothes closet there, so that anyone coming in from the garage can utilize it before getting into the main part of the house. This closet is in addition to the regular mud closet in the adjacent laundry area and the large closet in the foyer near the front entrance door. The kitchen has an island barbecue, an interesting feature. It also has a built-in oven, freezer space, a pantry, broom closet, planning desk, wood chopping block and large sliding glass doors leading to an outdoor dining terrace. These doors are in the area where a large breakfast table could be located, giving a full view of the outside.

Down a step from the kitchen, at the left rear of the house, is the family room, with a fireplace and another set of sliding glass doors to a second terrace, railed off from the first. In front of the family room is another room which can be used as a den, bedroom or study. It can be reached either from the foyer or the garage and has a separate bath.

back-to-back with a lavatory. The large living room is directly to the right of the foyer and is part of an L combination with a dining room. Together, the two rooms stretch from the front to the rear of the house.

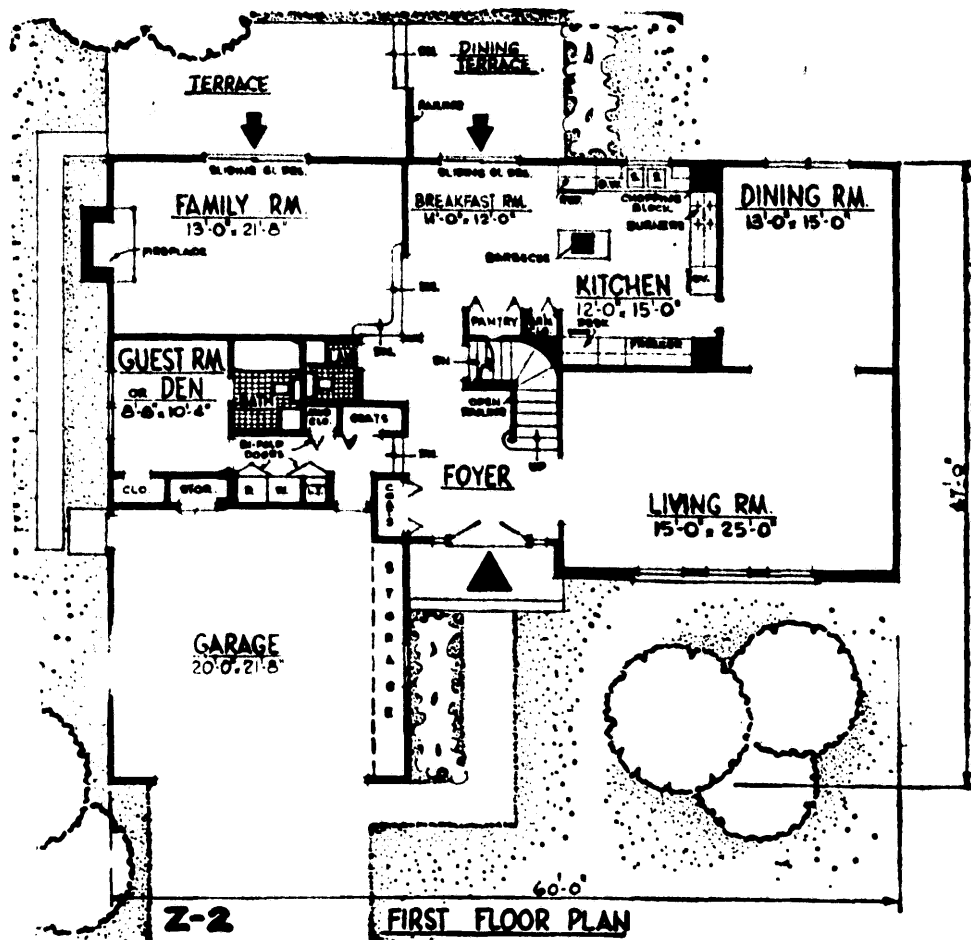

Upstairs, reached via an open-railed stairway are five rooms. Four are designated on the floor plans as bedrooms. The fifth is referred to as a sitting room, nursery or extra bedroom and is so located that, if not required as a bedroom, could become part of a master suite, with a dressing room and bath between the two rooms. It thus could be furnished with a chaise and TV or as a nursery. Each room has its own closet, with a huge walk-in closet between the two. The three other

Z-2 STATISTICS
Design Z-2 has a living room, dining room, kitchen, breakfast room, family room, 1 1/2 baths, laundry, den and foyer on the first floor, with a total habitable area of 1758 square feet. There are five rooms on the second floor, plus two baths and a large amount of closet space, adding 1307 square feet. There is a two-car garage, with a storage wall, and two rear terraces separated by a railing. Over-all dimensions are 60' by 47', including the garage.

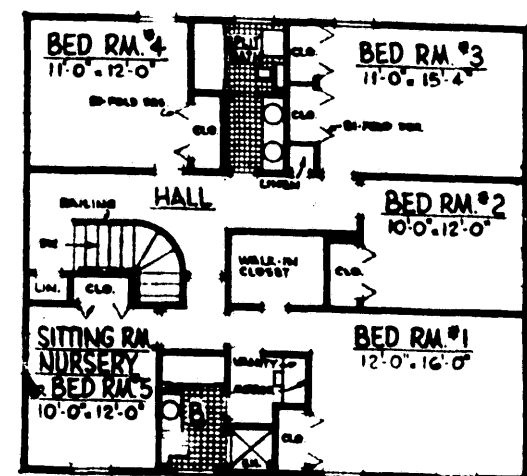

upstairs rooms also have ample closet space, and there are two linen closets in the hall.

The bedroom hall bathroom has twin lavatories, the other has a stall shower as well as a tub. Four of the five rooms on that floor have cross ventilation.

The two-car garage has a full storage wall on one side, in addition to a storage closet at the rear. Its white wood claddings match those on the upper part of the house, which has a red brick lower-story front. There are double front doors leading into the house. It is suggested that these be painted the same color as the shutters and the trim. For the purpose of cutting costs, the basement extends only under the main portion of the plan. The family room, den and garage are on slab.

Z-2 FIRST FLOOR PLAN

SECOND FLOOR PLAN

FLOOR PLANS: Large foyer sets keynote of first-floor planning. Second floor has five bedrooms, one of which can be used as a portion of a master suite if not required for sleeping quarters. Note unusual number of closets in rooms and halls.

TOTAL ELECTRIC LIVING IS A CLEAN BREAK WITH THE PAST.

all of that was in our **ELECTRIC Refrigerator-Freezer**?

of course—and lots more too!

Your modern frost-free electric refrigerator stores more—because frost doesn't take up storage room. You can store enough for dozens of Dagwood Specials, and still have lots of room for your week's shopping for regular meals in the refrigerator.

In the freezer you can store supplies for those unexpected drop-in friends, or for special treats for your own family. A modern frost-free electric refrigerator-freezer is just like a supermarket in your own home. See your electric appliance dealer about an electric refrigerator-freezer for your home!

ESCANABA MUNICIPAL ELECTRIC UTILITY

Women's Activities

THE 4-H STYLE REVIEW was held Thursday afternoon as a part of the afternoon grandstand show at the fair grounds. Waiting to appear on stage are from left: Karen Alcorn of Brimley; Janice Strassler, Cooks; Yvonne Valiquette of Schaffer; Maralee Koleski, Frances Koleski and Ann Thompson, all of Watersmeet and Diane Brown of Newberry. (Daily Press Photo)

Machine Sewing Tops Needlework Entries

By JANET MARTIN A very attractive piece of Machine sewing of all types work, was the most popular category in the needlework department this year according to Miss Theresa Benzo of Norway, superintendent of the department. She said there were four to five times as many entries in this category this year than in previous years. Instead of one coat, dress etc. on a garment rack, this year there were five or six.

In the knitting department the amount of entries and the quality of the work was about the same as other years. There was also about the same amount of afghans entered but as a whole, the rug and fancy work entries were less than other years.

Outstanding exhibits in this department included a knit sweater made from yarn spun from the clipping of a Samoyed dog, entered by Mrs. Maxine Abata of Kingsford; an afghan made by Maxine Mikutic of Powers. It is beige in color with panels and eging of orange and avocado green accented with large orange and green ball tufts at each corner.

Proposal information sheets may be received from the Director of Transportation, 2325 Sixth Ave. N., Escanaba, Michigan.

BIDS WANTED

The Board of Education of the Escanaba Area Public Schools will receive sealed bids on approximately 55,000 gallons of gasoline on or before 4:00 P. M. Monday, August 28, 1967, said bids to be delivered to the Business Office, 1219 N. 19th St., Escanaba, Michigan. The Board of Education reserves the right to accept or reject any or all bids and to waive irregularities deemed in the best interest of the School District. Bidders' proposal sheets may be obtained from the Director of Transportation, 2325 Sixth Ave. N., Escanaba, Michigan.

Pinecrest Staff, Patients Hold Reunion

Dr. John Towey's Camp on the River Road in Menominee County was the scene Saturday evening, Aug. 13 of a reunion of some of the original staff and their patients of Pinecrest Tuberculosis Sanatorium, when it opened in 1922. It is presently the Pinecrest Medical Care Facility.

One of the people who staffed Pinecrest at that time and who was mainly responsible for planning the reunion was Miss Loretta Sanford.

She was honored with a special cake and presented with an oil painting by Mrs. Theodore Dault, in memory of the occasion. Miss Sanford retired from Pinecrest in 1961 and has been residing in Powers since that time.

Special guests for the evening were Dr. and Mrs. John Towey, now residing in Middleton, Wis. Dr. Towey was responsible for the opening of Pinecrest as a tuberculosis sanatorium in Powers. Dinner followed a cocktail hour, and was catered by Mrs. Ray Peterson and her staff.

Guests included: Dr. W. H. Alexander, M.D., Iron Mountain; Dr. and Mrs. K. F. Harrington, Escanaba; Mr. and Mrs. Theodore Dault, Mr. and Mrs. Thomas Finnerty, Mr. and Mrs. Joseph Montpas, Mr. and Mrs. Julius Mikus, all of Powers; Mr. and Mrs. Raymond Casimer, Spalding; Mr. and Mrs. Tony Nicki, Mrs. Goldie Wilson, Niagara, Wis.; Mr. and Mrs. Leslie Varino and Mrs. Mae Frenn of Escanaba.

Miss Lialene Coakley, Milwaukee; Miss Hedwig Schupp and Miss Ann Goodrich, Iron Mountain; Mrs. Linnea DeFrango, Waukegan, Ill.; Mr. and Mrs. Eric Geluski, Menominee; Mr. and Mrs. James Despins, Green Bay; Mr. and Mrs. Joseph Potvin, Schaffer; and Mr. and Mrs. Alfred Asplund, Hermansville.

Hermansville

Bear are starting to stroll again, and have been viewed at the Meyer Township dumping grounds.

Legion Meets

The Leo Floriano American Legion Post, meeting at their Camp Seven Legion club rooms, discussed improvements to the kitchen and front entrance of the building. Commander Joseph Erick presented membership pins to Woodrow Trudell for 30 members; Jerry Kelly and Matt Gurgall, 20 members and Julius Halterman, 10 members.

Among the lucky fishermen at the Hermansville Lake are Edward Lohf who caught a 27½ inch Northern Pike and Mike Pusich who caught a 26 inch pike. Both fish were caught Wednesday evening.

Sportsman's Club

The regular meeting of the William Anderson Sportsman's Club will be held Wednesday, Aug. 30 at 8 p. m. at Rodman's. Plans will be made for the Snowmobile fund raising promotion.

Vista Workers

Miss Rose Marie Daddato, Addison, N. Y., and Miss Eleanor Everette of Jenkintown, Pa. Vista workers, have arrived in the area and programs will be announced shortly for the youth of the area. They have been assigned to the Hermansville-Powers-Spalding area.

Briefs

Donald Hill and Earl Koenler were in Green Bay Saturday for the Packer football game. Mr. and Mrs. Walter Gawron and daughter Nancy were in Green Bay for the Buck Owen show.

Mr. and Mrs. Norman Barriere and family of Milwaukee visited with his father, Archie Barriere.

Mr. and Mrs. George Earle of Muskegon visited with his parents, Mr. and Mrs. Stewart E. Earle.

Mr. and Mrs. Mike Pusich of Chicago are visiting at their cottage here.

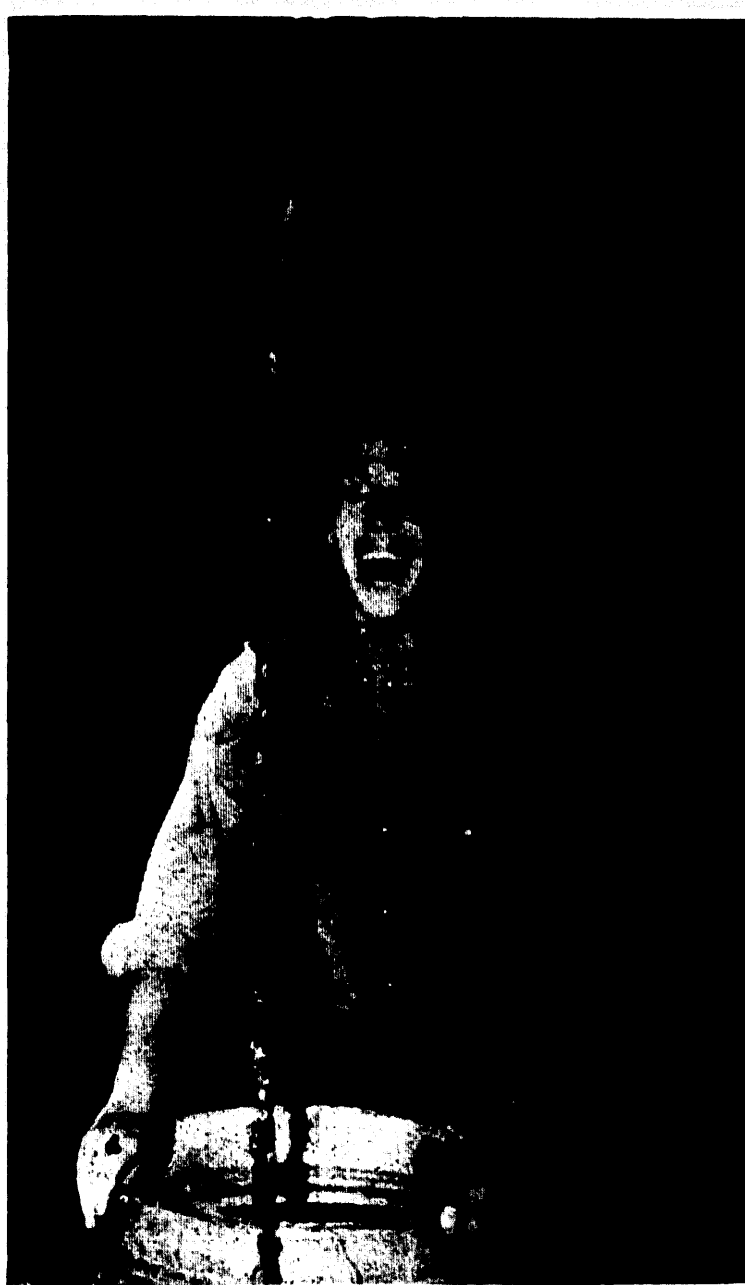

Mrs. Dora Poquette is a medical patient at the St. Joseph-Lloyd Hospital in Menominee.

Mr. and Mrs. Harlan Schneider of Chicago are visiting with relatives here this week.

Mr. and Mrs. James Lundree of Milwaukee visited with her mother, Mrs. Victoria Chenard.

Mr. and Mrs. Kenneth Maga and son of Wauwatosa are visiting with her mother, Mrs. Victoria Chenard and with his parents, Mr. and Mrs. John Maga.

Mr. and Mrs. Tony Machak and daughter Lynne spent the weekend in Minneapolis.

SAN FRANCISCO SOCIALITE, Charlotte Mailliard appears as a living fountain Tuesday in a scene frozen by the electronic flash of San Francisco Examiner photographer, Matt Southard at her nearby Yorkville ranch. Mrs. Mailliard was dunking her head at the end of a day of horseback riding. She is a sister-in-law of Republican Congressman, William Mailliard. (AP Wirephoto)

P. Westerdahls Mark Golden Anniversary

Mr. and Mrs. Peter Westerdahl of Rte. 2, Bark River, recently celebrated the 50th anniversary of their marriage with a reception at the Bark River American Legion Hall. Over 250 relatives and friends attended.

The hall was decorated with gold and white streamers and gold bells. The tables were complimented with gold roses and gold candles.

A buffet dinner and refreshments were served under the direction of Mrs. Durward Chase. A granddaughter, Mrs. Carl Witte, baked and decorated the large tiered golden wedding cake for the occasion.

Mr. and Mrs. Westerdahl are the parents of four daughters, Mrs. Durward Chase of Bark River, Mrs. Arlyn (Lenore) Pierman of Galesburg, Mich., Mrs. Vernon (Rosemary) Shomer of Battle Creek and Mrs. Vincent (Lorraine) Shavlin of Ottumwa, Iowa.

The entire family was present for the occasion, including 16 grandchildren and 7 great grandchildren. The other grandchildren are serving with the armed forces and were unable to attend.

The honored guests received many gifts and Mrs. Westerdahl was presented a rose corsage.

Miss Diane Bal Honored At Bridal Shower

A bridal shower was held at the home of Mrs. Donald Bal on Monday evening, Aug. 14 honoring Miss Diane Bal of Powers. Miss Bal will wed Gary C. Williams of Macin, Texas on Aug. 26 at St. Francis Xavier Church in Spalding.

Hostesses for the evening were Mrs. Donald Bal, Mrs. John Hafeman and Mrs. Jerome Wells all of Powers. Games were played and prizes won by Mrs. Walter Veraghen, Mrs. Robert Motto, Mrs. Wilfred Murray and Mrs. Henry Bal.

The guest prize was awarded to Mrs. Louis Fazer. Glanville centered the dinner table and Miss Bal was presented with a corsage of yellow and white carnations. Lunch was served and Miss Bal received many lovely gifts.

Wool Contest Fashion Show In Marquette

Some lucky girl in Michigan will be winner of an all-expense paid trip to Dallas, Texas next January for the national finals in the Make-It-Yourself With Wool contest. Two national winners will fly to Rome, Athens, Madrid and the Greek Isles for a 15-day holiday.

The contest is open to all home sewers between the ages of 10 and 21, married or single. The main rules of the contest are:

1. — The garment must be made of 100 per cent wool, manufactured in the United States of America.

2. — Selection and construction of the garment must be done by the contestant.

3. — The contestant must model her own garment before judges at the district fashion show.

4. — The garment must have been completed since Jan. 1, 1967.

All entries must be made on an official entry blank. These may be obtained by writing to Mrs. Edmund Sager, Rte. 1, Stephenson, Mich. 49887, who is district Director for Upper Michigan.

The district fashion show will be held at Northern Michigan University in Marquette on Saturday, Nov. 18, 1967. One junior contestant (14-16) and one senior contestant (17-21) will be selected to compete in the state finals at Michigan State University in East Lansing on Dec. 9, 1967. At the state finals, one girl will be selected to appear in the national finals in Dallas on Jan. 29.

Last year's junior winner in Upper Michigan, 16-year-old Sandra Schwiderson of Brimley, was named top winner in the state and competed in the national finals in Las Vegas, Nev.

Nahma

Mr. and Mrs. Olin Weber of Owasco returned to their home Friday after spending three weeks vacation at the home of mother, Mrs. Nick Gemenien.

Mr. and Mrs. Cal Cunningham and daughters Mary and Judy of Addison, Ill., left Wednesday for their home after spending several days at the home of Mr. and Mrs. Victor Thibault.

Mr. and Mrs. Frank Gudwer of Perkins, Mrs. Cassie Menepace of Palmer, and Bill Colombo of Amasa, were Thursday visitors at the home of Mr. and Mrs. William Rogers.

Mr. and Mrs. Donald Rauls of Richmond, Va., are spending their vacation at the home of his parents, Mr. and Mrs. William Rauls.

Return Home Mr. and Mrs. Joe Pate of Homewood, Ill., returned to their home Sunday. They were accompanied by their sons David and Kirk who had spent the past six weeks with their grandparents, Mr. and Mrs. Frank Selek.

Mr. and Mrs. Fred Gereau and family, Mr. and Mrs. Clinton Gereau and family of Green Bay spent the weekend at the home of their parents, Mr. and Mrs. Rudie Gereau.

MISS JOYCE V. SALO, R. N., daughter of Mr. and Mrs. Tolvo Salo of Rock, graduated from the United Airlines Education and Training Center, Mount Prospect, Ill., as an airline stewardess on Aug. 9. Her father presented her wings at the graduation ceremony. Immediately after graduation she flew to San Francisco, Calif., where she is based. Miss Salo was employed at the University Hospital in Seattle, Wash., before entering airline school.

Dear Heloise: Instead of using cotton between the front and back of a summer quilt, I used a plain white summer flannel blanket. After many launderings, it still stays nice and smooth and never mats like ordinary batting.

Mrs. V. L. Wilson
Letter Of Thought

Dear Heloise: When I get disgusted and tired doing the dishes I glance at the following little verse I have hanging in my kitchen: Thank God for dirty dishes, they have a tale to tell. While others may go hungry, we're eating very well. With home, health, happiness, I shouldn't fuss. By the stack of evidence, God's been very good to us. Mrs. B. Robinson

Pineapple Punch For Wedding Buffet

WEDDING PUNCH—Pineapple and champagne.

Newspaper Enterprise Assn.

Here comes the bride! Yes. But don't forget the groom. Raise a toast to their happiness and long life together.

In an atmosphere of graciousness, beauty and hospitality, welcome the wedding guests to a buffet for refreshment. The wedding or bride's cake (a work of art), the large heirloom punch bowl, succulent sandwiches, and assorted nuts is one traditional buffet menu.

Depending on your family preferences, the punch can be made milder or made with champagne. If your choice is the latter, then here's an unusually pleasant recipe for 60 servings.

For an extra festive touch, float a heart-shaped block of ice in the punch. Use a heart-shaped mold. Arrange pineapple slices and halved fresh strawberries in about 1½ inches deep water in mold. Freeze this firm so that fruit is securely anchored. Then fill the mold with pineapple juice. Freeze until solid.

GALA PINEAPPLE WEDDING PUNCH

1 cup fine granulated sugar
1½ cup grenadine syrup
1 pint golden rum
1 pint dark rum
2 (46 - ounce) cans pineapple juice
1 cup strained lime juice
2 cups strained orange juice

Combine sugar, grenadine and rum; stir until sugar dissolves. Add to pineapple and lime juices. Refrigerate in covered container 24 hours. When ready to serve, pour into punch bowl. Stir in chilled champagne. Garnish with frozen fruit ice mold.

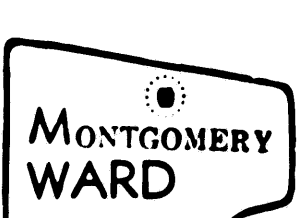

Powers-Spalding Birth

Mr. and Mrs. Ivan Hamnerberg, Jr. are the parents of a son, Jeffe Todd, born Aug. 8 at 7:30 a.m. at St. Joseph-Lloyd Hospital in Menominee. He weighed 8 pounds 12 ounces and is the second child and second son in the family. Mrs. Hamnerberg is the former Barbara Corrigan, daughter of Mrs. Jeanne Corrigan of Spalding.

Family Reunion

Attending the Hower family 50th reunion in Logansport, Ind., were Mr. and Mrs. William Hower and Mr. and Mrs. Wayne Hower of Nadeau, Mrs. Jeanne Corrigan, Spalding and Mrs. John Romanowsky of Wausau, Wis.

Mrs. Charlotte Nelson of Minneapolis and Miss Freda Enfield of Escanaba were guests during the week at the Earl DuBois home in Spalding.

Very truly yours,
MONTGOMERY WARD
P.S. All sets must be intact as far as all tubes and parts according to manufacturers specifications.

Silver Scarcity Kites Coin Price

NEW YORK (AP) — There's gold in them thar silver certificates.

In silver dollars, too. And even certain nickels are worth more than 5 cents.

Dealers are advertising their willingness to pay from 25 to 30 per cent over the face value of \$1.85 and \$19 silver certificates. When trading in silver dollars, the asking price for a 60-pound sack bulging with 1,000 unrecirculated cartwheels is expected to be about \$2,000.

And one dealer says he's collecting nickels minted from 1942 through 1945 because they contain enough silver and copper to make them worth more than 5 cents.

The law of supply and demand is responsible for the current ferment in silver.

Collector's Items
Certain coins always have been worth more than their face value because they were scarce and because a collector was willing to pay a premium for them to fill holes in his collection.

Silver coins—dimes, quarters, halves, dollars—command a premium for their value to collectors rather than their metal value.

This was because the U.S. Treasury for years had held the price of American silver at \$1.29 an ounce, an artificial ceiling that ignored the law of supply and demand.

The formula worked, however, even though silver consumption in recent years began outstripping production. In 1966, silver consumption in the United States for industrial purposes amounted to a record of about 150 million ounces, an increase of 9 1/2 per cent over 1965.

Despite this growing demand for silver by such industries as the photographic, sterling ware, electronics and electrical, the government held the price, but the pressure was getting heavy.

Lid Abandoned
As the demand for silver continued to outstrip supply, the Treasury finally abandoned its

\$1.29 an ounce silver price in mid-July. The price of an ounce of silver since has soared as high as \$1.82.

That's why dealers can afford to pay a premium.

Silver certificates can be exchanged for the metal at a rate of \$1.29 an ounce. Every such dollar certificate brings a packet containing about 0.77 of an ounce of silver, which, if sold at the \$1.82 market price, is worth about \$1.40. If the dealer pays \$1.30 for the silver certificate, his profit is 10 cents on a dollar.

Although melting silver coins is prohibited by the federal government, some dealers say there is no ban on the melting of nickels.

Profit — \$100
Which is why the "Jefferson" nickel minted from 1942 through 1945 is in demand. Nickels from this period contain 35 per cent silver, 56 per cent copper and 9 per cent manganese. The coins contain more silver than other five-cent pieces because nickel was scarce during World War II and the government reduced the

nickel content of the coins.

Assuming a dealer paid \$300 for a bag of 4,000 of the World War II nickels which would have a face value of \$200—and melted them down, he could, going by recent copper and silver prices, make a profit of about \$100 a bag.

The 1,000-coin bags traded at the exchange will contain only coins minted in large quantities between 1880 and 1923. The coins will be in two grades, circulated and uncirculated.

Trading will be allowed only two hours daily and the person who buys a bag of silver dollars must deposit his entire bid within 24 hours.

Some \$56 million silver dollars have been struck by the government. About 332 million of these have been melted down by the government, about 1 million are used each year by jewelry manufacturers and many have been lost, leaving an estimated 450 million available for trading dealers say.

Whirlpool Plans New Laboratories

ST. JOSEPH (AP)—Whirlpool Corp., officials today announced plans for a \$1 million expansion of the firm's St. Joseph facilities. A 72,000 square foot building housing offices and laboratories is planned.

Work on the new facility is scheduled to begin next month and should be completed by the end of 1968, officials said.

General Retires

WARREN (AP)—Maj. Gen. William W. Lapsley, commander of the Army Tank-Automotive Command headquartered in Warren, will retire Sept. 30 after 37 years in the Army.

Lapsley, ATAC commander since January, 1965, plans to take a post with a private firm outside Michigan on retirement. His successor has not yet been named.

RICHARD COURIER is the first police officer assigned to juvenile work in Novato, Calif., where he has been on the police force since 1964. St. Courrier placed top in an examination for the position. Previously he has been acting juvenile officer. He is the son of Mr. and Mrs. W. H. Courrier, of 1516 Washington Ave., Escanaba, and is a graduate of Escanaba High School.

Perkins

Family Reunion

A family reunion was held recently at the home of Mrs. Wilfred Groleau. Attending were Mr. and Mrs. Lenard VerBrigge and children, Mr. and Mrs. Richard Groleau and children of Sturtevant, Wis., Mr. and Mrs. John Flinn and children of Brampton, and the Groleau's children, Jim and Phillip.

Briefs

Mr. and Mrs. Leonard VerBrigge are visiting for a month at the Groleau home. They are also visiting with the Henry VerBrigges of St. Nicholas.

Mrs. Wilfred Groleau visited Mr. and Mrs. Marion Valard at Tecumseh.

Mr. and Mrs. Clarence Smith of Brooksville, Fla., visited Mrs. Lola Collins, Mrs. Robert Harkness and family of Lansing were visitors of Mrs. Lola Collins also.

Mr. and Mrs. George Doome of Milwaukee visited at the home of Miss Gabriel Cahnneyer and other relatives.

Mr. and Mrs. William Col-

ins and daughter of Milwaukee visited Mrs. Lola Collins. Mr. and Mrs. Lenard VerBrigge of Sturtevant and Mr. and Mrs. John Flinn and Mrs. Wilfred Groleau of Brampton spent the weekend at Copper Harbor.

Cpl. Richard Depuydt and family of Iron River spent a few days at the Jerry Depuydt home.

Mr. and Mrs. Richard Rumball and family of Oxford, Mich., and Mr. and Mrs. Henry Carroll visited over the weekend at the home of Mr. and Mrs. George Carroll.

Dr. Roger Norden and family of Bourke, Md., visited a few days with Mrs. Naomi Norden, Dr. Norden's mother.

Mr. and Mrs. Louis Carrier of Menasha visited at the home of William Trudell and Mr. and Mrs. Fredie Krouth and other relatives in Rock.

Eugene Trudell of Iron Mountain visited Mr. and Mrs. Freddie Krouth.

Mrs. Elizabeth Plourde of Iron River visited with her sister and brother-in-law, Mr. and Mrs. Ray LeClaire.

SHELDON IDEN, Wayne State University professor, found the Manistique Art Club painting group exciting, eager and wanting more instruction after a two week artist in residence training session here. The classes drew from 20 to 30 participants. Iden said he would like to return to the Peninsula and have others do the same to bring cultural programs to the area through the Michigan Council of Fine Arts. Painters with him are Mrs. Fred Lesica, Betsy McKilligan, Mrs. William Males and Pamela Putvin. (Daily Press Photo)

Two Break-Ins Are Reported

State Police are investigating break-ins of the Fireside Inn, sometime early in the morning of Aug. 16, and of a home in Germfask owned by Ovid Swisher, sometime between Aug. 13-15.

Flag Tourney Winners Named

Flag tournament winners in women's play at Indian Lake Golf and Country Club were Mrs. John Davidson, Carl Carlson, Charles Spawr and Everett Cookson.

Manistique and Munising will play Aug. 23 with tee-off at 2 p. m. Reservations for the dinner may be made until noon Tuesday at the club. Mrs. Earl LeBrasseur, Mrs. John Kelly and Mrs. William Carson are hostesses.

Bridge winners this week were Mrs. Ossi Smith, Emmet McNamara, John Kelly, Barney Johnson and Miss Helen Voisine.

An activity day is scheduled Sunday at the club. Mixed foursomes will tee-off at 1:30 p. m. for a best-ball event. Members are to bring meat for barbecuing and table service and sign to bring one item for the buffet table. Reservations should be made by Saturday evening with Mrs. Ossi Smith.

Driver Ticketed

Debra Witala, 18, of Dearborn Heights was ticketed by State Police for violation of basic speed law after an accident at 3:55 p. m. Wednesday on U.S. 2 at Nantua Township. Officers saw her at the rear of a car driven by Larry Plummer, 26, of Marquette, who stopped for a car ahead.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

MRS. EARL (KATE) LeBRASSEUR, right, won the Indian Lake Golf & Country Club's women's golf championship 8-7 over defending champion, Helen Jean Voisine, Wednesday. Awards were presented at a banquet Wednesday night. Judy Provo won the first flight over Helen McGlothlin, and Stella Richards won over Marge Spawr in first flight consolation. Alice Mouders won the championship consolation over Olive Smith. (Daily Press Photo)

Baton Lessons

The community school will sponsor a 2-week instructional program for girls interested in receiving baton twirling lessons. The classes will be daily from 9 to 11 a. m. Registration is 9 a. m. Aug. 21. The class will be limited to girls in kindergarten through sixth grade. A 25 cent fee will be charged.

Hospital

Admitted to Schoolcraft Memorial Hospital were Catherine Tomar, Laura Davenport, Marjorie Fagan, Elmer Boal and Michele Schuster. Discharged were Fern Trekas, Homer Adams, Betty Lee and baby, Sharon Abram, Bernice Jordan, John Tobin, and Betty Schneider and baby.

Mrs. Leo Curran Dies Today

Mrs. Leo Curran, 47, of 427 Arbutus Ave., died this morning at Schoolcraft Memorial Hospital.

She was born in Benton Harbor on Jan. 16, 1920 and during WW II served in the WACS. The former Mary Wickware, she married Leo Curran on Feb. 5, 1947.

She was a member of the Zion Lutheran Church, a past member of the Iota Chapter of the Order of the Eastern Star, a member of the Indian Lake Golf and Country Club, and its board of directors.

Survivors include her husband, Leo, one son, Chris, one grandson, Richard, one brother, John Wickware, of Gulliver, and two aunts, Miss Rhoda Wickware and Mrs. George Rasmussen both of Manistique.

Funeral services will be held at the funeral home Monday at 2:30 p. m. with the Rev. Ingemar Levin officiating. Burial will be in the Fairview Cemetery.

Fishing Catches Reported Good

The mosquitoes have stopped biting and the fish have started biting. The Conservation Department notes in its weekly report. Fair catches of all species have been reported and indications are for good fishing.

The results by species: Symbols of fishing conditions: Excellent (E), Good (G), Fair (F).

Coho (Silver) Salmon: Alger County - Lake Superior off Grand Marais (F to G). These fish are caught by trolling with artificial lures. An unconfirmed 6 pound coho was reported. Schoolcraft County - Thompson Creek (G to E). Fish range in length from 10-14" and are in excellent condition and color. Also some being taken off the mouth of the Thompson Creek, out in Lake Michigan. The best bait seems to be worms.

Rainbow Trout: Chippewa County - Soo Rapids (F), Tahquamenon Bay (F), Schoolcraft County - Clear Lake (F). Fishing done mostly at night with worms as bait and a gas lantern for light.

Brook Trout: Chippewa County - brook trout streams in

entire county are picking up, should get better in a week or so. Luce County - Peanut Lake, Silver Creek and Upper Tahquamenon River (F), also at Pretty and Moon lakes - fair splake fishing. Mackinac County - trout streams (F).

Northern Pike: Chippewa County - Lake George (G), Munuscong Bay (F), St. Mary's River (F), Luce County - Blind Sucker Flowage (F), Tahquamenon River (F), Betsy Lake (F), Manistique Lake (F), Mackinac County - Les Cheneaux Channels (F), Green Island, Straits of Mackinac (G), Brevort Lake, Millicocquin, Whitefish and Milakokla, Hay Lakes (F), Schoolcraft County - Stueben Lake (F), Snyder Lake (F), Stanley Lake (F), Roy Courtney of Hope, Michigan caught a 17 pound northern last week in Manistique Lake.

Walleye: Chippewa County - Upper St. Mary's River (F), Tahquamenon River (F to G), Luce County - Manistique Lake (F), Tahquamenon River (G).

Smallmouth Bass: Alger County - Grand Lake (F), Chippewa County - Lake George (F), Middle portion of St. Mary's River (G), Mackinac County - Les Cheneaux Channels (E), Milakokla Lake (F), Hog Island Bay (F), Green Island, Straits of Mackinac (F).

Yellow Perch: Chippewa County - Hulbert Lake (G), Waikwa Bay (G), Lake George (G), Luce County - Bass Lake (G), Manistique Lake (G), Round Lake (F), Tahquamenon River (G), Mackinac County - Les Cheneaux Channels (G), Green Island (F), Millicocquin Lake (F), Milakokla Lake (G), Naubinway (F), Schoolcraft County - Indian Lake (G).

Bluegills: Luce County - Deadmans Lake (G), Mackinac County - Whitefish Lake (V.G.), Schoolcraft County - Bass Lake (G), Colwell Lake (F), Boot Lake (F), Twin Lake (F), Sunken Lake (F).

Rock Bass: Alger County - Grand Lake (G), Chippewa County - Middle of St. Mary's River (G), Luce County - Round Lake (E), Tahquamenon River (G), Mackinac County - Millicocquin Lake (G).

Bullheads: Alger County - Nawakwa Lake (E), Luce County - Tahquamenon River (F), Mackinac County - East Lake (G).

Approve New Extension Head

The extension committee of the Schoolcraft Board of Supervisors Thursday approved hiring Howard Handorf of Virginia as county natural resource agent, succeeding Dean Rhoads.

The replacement takes effect Sept. 1. Handorf, who has attended summer schools in Upper Michigan is a graduate of Michigan State University and has a background in forestry as well as extension work. He has been working in the Virginia extension program.

Mrs. Handorf is an alumna of the University of Michigan. The couple has two children.

Temporarily Handorf also will serve as Alger County resource agent. His office will be in Manistique.

Births

Mr. and Mrs. Carl Tomaro, Gulliver, are the parents of a daughter weighing 6 pounds 8 1/2 ounces, born Aug. 16 in Schoolcraft Memorial Hospital. The mother was formerly Catherine Polling.

Mr. and Mrs. Thomas Osterhout, Rte. 1, are the parents of a son born Aug. 16 in Schoolcraft Memorial Hospital. He weighed 5 pounds 9 1/2 ounces. Mrs. Osterhout is the former Amber Ward.

A son weighing 8 pounds 14 ounces was born Aug. 16 in Schoolcraft Memorial Hospital to Mr. and Mrs. Robert Zellar, Germfask. The mother is the former Karen Luukkonen.

Girl Tree Climber Is Electrocuted

ALANSON (AP) — Roberta Mary Rashid, 12, Detroit, was electrocuted Thursday near Alanson when she fell backward from a pine tree she was climbing onto two 7,200-volt electric lines.

The child, who was playing with a group of other children at the time, had been spending the summer with her parents, Mr. and Mrs. Fandy Rashid, at their summer home near Alanson.

State police say a heavy wind may have blown the power lines, owned by the Top O' Michigan Rural Electric Co. of Boyne City, near the tree and caused the child to lose her balance and fall on them.

BELTFUL OF BULLETS grinds this helicopter gunner as he walks toward his ship with a load of 40mm shells. He's with the 334th Armed Helicopter Company, based at Bien Hoa Air Base in South Vietnam.

John Winchester Named To State's Indian Commission

LANSING (AP)—Gov. George Romney has appointed John Winchester of Belleville to the State Indian Affairs commission for a term ending July 21, 1971.

Winchester, a production supervisor for Ford Motor Co., is a former director of the National Indian Youth Council.

The governor Thursday, also named Dr. E. George Schutt of Lansing, recently retired as deputy state superintendent of public education, to the State School Districts Reorganization Committee.

He succeeds Sen. Gordon Rockwell, R-Mount Morris, who resigned from the committee when he was sworn in as a member of the Senate.

Gladstone News

Briefly Told

Victor Corwin, 522 N. 11th St., Gladstone, was ticketed by State Police Thursday for speeding.

A breaking and entering of Camp Antlers in Harris Township, Menominee County, is under investigation by State Police. The camp is owned by William DeMarsh and Robert Coffin, both of Menominee. A quantity of shotgun shells was reported missing, officers said.

Personals

The Rev. and Mrs. Kenneth Jacobson and family of Plainview, Neb., visited this week at the home of the Rev. and Mrs. Rueben Carlson, enroute to Expo '67. Pastor Jacobson is an uncle of Mrs. Carlson.

Miss Peggy Haglund left on Thursday morning for the home of her parents, Mr. and Mrs. Harold Haglund, in Van Nuys, Calif., after spending most of the summer with her grandmother, Mrs. Marian Long, and visiting with other relatives and friends.

Mr. and Mrs. Carroll Jacobson and Amy of St. Paul, Minn., are expected to spend the weekend at the home of the Rev. and Mrs. Rueben Carlson, daughter and son-in-law of the Jacobsons.

Mrs. Beverly R. Radford returned to her home in Chicago on Thursday morning following a visit at the home of her mother, Mrs. J. T. Jones.

Vodka was first produced in Russia in the 14th Century.

In This Corner

With RAY CRANDALL

After missing the first day of practice this week, football players at Houghton High School began drills in preparation for the season opener Sept. 2. . . The Gremlin grid coaching staff agreed to an interim pay plan so that practice could begin, thus allowing the team to open the season in three weeks. . . It had been announced earlier that practice would not start until school opened on Sept. 5.

Menominee, last year's Upper Peninsula football champion which was stripped of its crown for use of an ineligible player, has 12 returning lettermen this season. . . Included is talented Pat Miller who led the Maroon single wing attack from his tailback position last fall. . . Other veterans from the team that posted a 7-1 record are backs Dewey Bellisle, Pat Collins, Dale England, Joe Kaufman and Larry LaCanne and linemen Henry Lerret, Dave Drago, Dan Conder, Gary Schick, Ken Heckel and Leon Waller.

Playoffs in the Wisconsin baseball league will begin Sunday, Aug. 20, with unbeaten Felch hosting Beaver and runner-up Stephenson entertaining Peshtigo. . . The winners will meet in a best of three series for the playoff title beginning Sunday, Aug. 27.

Reno Petteuzzo, the Canadian pitching ace reportedly added to the mound staff of the Soo Merchants for the Class A tourney in Marquette this weekend, tuned up for the U. P. event by blanking the Merchants, 4-0, in his latest start. . . In his seventh straight victory over the American Soo team this season, Petteuzzo twirled a four hitter and fanned 13 batters.

Mike Porcarelli of Wakefield, one of the top young ski prospects in the United States, suffered a leg injury that forced him to cut short a scheduled 30 day training period with the U. S. Olympic team in Portillo, Chile. . . His injury, a pulled tendon in his calf, sidelined him for the final week of the season but it is not serious enough to keep him from the winter racing season.

CASSIUS CLAY leaves Bureau of Vital Statistics in downtown Chicago Thursday with his fiancée, 17-year-old Belinda Boyd, after obtaining a marriage license. (AP Wirephoto)

Clay To Wed Teenage Black Muslim Member

(CHICAGO (AP)) — Cassius Clay, the sidelined world heavyweight champion, and his fiancée will be wed in a Muslim ceremony Sunday or before if the bride can finish arrangements in time, Clay's manager says.

Clay and 17-year-old Belinda Boyd, whose father, Raymond Boyd, also is a member of the Black Muslim sect, received their marriage license Thursday at the Cook County Clerk's Office.

It will be the second marriage

Veterans Fight Young Golfers

PASADENA, Calif. (AP) — A pair of 28-year-old roommates, resisting the youth movement at the USGA Women's Amateur Golf Championship, and a pair of poised youngsters collide today in the semifinals.

Phyllis "Tish" Preuss, the medalist from Pompano Beach, Fla., and Jean Ashley, the 1965 champion from Chantue, Kan., meet in the match of the older girls.

While 19-year-old Lou Dill of Deer Park, Tex., and 20-year-old Peggy Conley of Seattle, Wash., are paired in the other bracket.

Miss Preuss, winless in 10 women's amateurs, did her part to subvert the youthful takeover when she eliminated Jane Bastanchury, 19, of Whittier, Calif., 1-up, in Thursday's quarter-finals.

Miss Ashley, who is rooming with Miss Preuss, scored a relatively easy victory over 18-year-old Martha Wilkinson of Fullerton, Calif., 3 and 2.

Teamsters Lose Opening Contest In U.P. Tourney

Thursday Results
Negaunee Hill's Garage 6,
Crystal Falls Infield 3
East Kingsford Iron &
Steel 7, Escanaba Teamsters 4

Games Tonight
7 - Iron Mountain Jacobs
vs. Negaunee Chum's Iron
Inn
8:30 - Marquette Pat's vs.
Crystal Falls Westala

Escanaba Teamsters, district Class C softball champs, stumbled in their first start in the Upper Peninsula tournament here Thursday night, bowing to East Kingsford Iron & Steel, 7-4.

In another rain-delayed opener Negaunee Hill's Garage turned back Crystal Falls Infield Bar, 6-3.

Action continues with a pair of tilts tonight at Memorial Field. The tourney shifts into high gear Saturday with games starting at 10 a.m. Action will

run through Sunday night in the double elimination event. Bill Groleau's former mates turned on him in the Thursday nightcap. The former East Kingsford twirler was touched for five hits by his ex-teammates who bunched the safeties in the fourth and sixth frames in which they scored five of their runs.

Teamsters reached Mac Frick for seven hits but they were well scattered. The Escanaba team tallied twice in the first frame and once in the second on a pair of singles by Tom McKie and Ed Gauthier. The only other run off Frick came in the sixth when Bill Rodman led off with a triple and scored on a fly to right by Orr.

Hugh Ray, former Escanaba player, was a thorn in the Teamsters' side. He singled, drew two walks and was hit by the pitcher in four trips while scoring three of East Kingsford's seven runs.

Dick Bizeau fired a four-hitter for the Negaunee victory. His mates reached Bill Latva for nine hits, including a lead-off homer by Bob Anderson in the sixth.

Negaunee pushed three runs home in the first frame and couldn't tally again until the sixth when four hits produced three more runs.

Richmond Falls From Top Spot

By The Associated Press
The Richmond Braves' first experience this season at leading the International League didn't last long — about 24 hours, to be exact.

Curt Motton and Buddy Booker were the main reasons. Motton led off the 11th inning Thursday night at Syracuse with his 15th homer that gave the Rochester Red Wings a 5-4 victory over the Chiefs.

At Jacksonville, Booker drove in four runs — the last three with a two-out, bases-loaded triple in the eighth that broke a 3-3 tie — as the Suns whipped the Braves 6-3.

That combination sent Rochester back into first place by the slim margin of one percentage point over Richmond.

In other action, the Buffalo Bisons handed the Toronto Maple Leafs their fourth straight defeat 3-0 and the Toledo Mud Hens won their fourth in succession, beating the Columbus Jets 8-5 on a two-out, three-run homer in the ninth by Chris Cannizzaro.

Relief pitcher Sam Jones retired the first two Toledo hitters in the ninth for Columbus, but he gave up a triple to Don Pepper and a walk before Cannizzaro unloaded a 420-foot drive over the left-centerfield fence. Dave Campbell hit his 20th homer for the Mud Hens.

Player Snares Hartford Lead

WEATHERSFIELD, Conn. (AP) — "I can't believe I shot a 65," said Gary Player of South Africa after becoming the first round leader at six-under-par in the \$100,000 Greater Hartford Open Golf Tournament.

"I've been cutting trees, riding horses, driving a tractor on my farm for four weeks with only one practice round," Player said.

"Fantastic" was the way he described how his putter worked over the greens of Wetherfield Country Club as it gave him a one stroke lead over Terry Dill of Austin, Tex.

Player sank birdie putts from 35, 30, 20 and 18 feet during his round, and three others in the 12-foot range Thursday. Dill had similar putting luck in his 66, getting six birdies on putts ranging from 15 to 35 feet.

Player's venture away from his 1,000-acre farm near Johannesburg was his first taste of competitive golf since the British Open in early July. He's won \$25,703 in the United States this year, but the closest he's come to a title was a loss to Miller Barber in a playoff at the Oklahoma City Open.

Several of the major stars of golf, including this year's leading money winner, Arnold Palmer, and U.S. Open champion Jack Nicklaus and PGA winner Don January skipped the Greater Hartford Open.

Kathy Leading Western Field

PEKIN, Ill. (AP) — Shirley Englehorn, who stuck with golf despite two accidents that threatened to cripple her for life has become the sentimental favorite to win the Women's Western Open.

Kathy Whitworth, who has captured five tournaments this year and leads the money winners with \$19,567, had a two-stroke lead over 26-year-old Miss Englehorn entering today's second round.

Kathy, who has taken nearly every women's title but the Western Open since turning pro eight years ago, shot a four-under-par 71 Thursday over the wind-lashed Pekin Country Club Course.

Shirley, chasing her first tournament triumph for 1967, was second with a 73. The Caldwell, Idaho, lass suffered a spine injury when thrown from a horse in 1960 and then smashed a hip and an ankle in an auto crash in Arizona in 1965.

Sandra Palmer, who was in the auto crash with Shirley but was unhurt, and Susie Maxwell, winner of two titles this year, share third place with 74. Betty Cullen, former amateur star who turned pro in 1963, made her bid with a 75.

Youngest player in the recent U. S. Open golf championship was Jimmy Simons of Butler, Pa. He is 17. He shot 86-79. Oldest competitor was E. J. (Dutch) Harrison at 57. He shot 70-76 to qualify for the final two rounds in which he shot 73-70.

MARIE WICKLANDER, left, defeated defending champion Mary Sue Boyce, right, by a 5 and 3 margin in the finals of the Escanaba Country Club women's golf tournament Thursday. (Daily Press Photo)

Marie Captures Women's Crown From Mary Sue

Marie Wicklander returned to the Escanaba Country Club women's throne room Thursday when she deposed defending champion Mary Sue Boyce in the tourney finals, 5 and 4.

Mrs. Wicklander played consistent golf through the championship match, shooting a steady 45 to Mary Sue's 48 on the first nine.

The deciding factor in the title match came on the

Merchants To Open Tourney At Iron Mountain

The Escanaba Merchants open action in the Upper Peninsula Class A softball tournament at Iron Mountain tonight at 7 against Credit Union, No. 1 team from the host district.

The winner of tonight's tilt will return to action at 12:45 p.m. Saturday against Ishpeming Woody's Bar, last year's U.P. Class A champion.

Al Balding was the only Canadian in the recent U. S. Open. He replaced Pete Brown who left the scene to hurry home to be with his son who was injured in an auto accident.

Howard Slugs 30th Homer

Senators End Scoreless String But Lose Anyway

By The Associated Press
The Washington Senators have ended their streak of scoreless innings at 28 but failed to gain steam in a drive to move out of the American League's second division.

The Senators held on for 16 innings Thursday night before Vic Davalillo smacked a bases-loaded triple, highlighting a five-run rally that carried Cleveland to an 8-3 victory over Washington. The Senators are now in sixth place, nine games out of first.

All of Washington's runs

Packers Tackle Chicago Bears In Tilt Tonight

By The Associated Press
Are the Washington Redskins really on the way back to the top in pro football?

The Redskins overwhelmed the Chicago Bears 37-14 in their first exhibition game last week with Coach Otto Graham, usually conservative, exulting afterwards, "We've become a team with the right attitude."

Whether what Graham called the "unity" of the Redskins was just a flash in the pan or whether they actually will be a threat to the Green Bay Packers for the National Football League championship might get some clarification Saturday night when they play the New York Giants at Raleigh, N.C.

The game is one of the highlights of another busy weekend for the play-for-pay grid in the NFL and American Football League. Two games are scheduled tonight, six Saturday night, three Sunday afternoon and a nationally televised game is on top Monday night.

Leo Figures Allen Wrong

By The Associated Press
Leo Durocher kicked the sleeping dog, and it nearly bit off his leg.

Durocher, playing the percentages, ordered Philadelphia's Tony Gonzalez intentionally walked in the 12th inning of Thursday night's game to pitch to Rich Allen.

Now ordinarily that wouldn't qualify as a terribly safe move. But Chicago pitchers had retired Allen four times and with Cookie Rojas on second carrying the winning run, a walk to Gonzalez did set up a potential double play that could get the Cubs out of the inning.

Instead, the strategy got them right out of the ball game. Allen hammered his 20th home run, over the right field wall, giving the Phillies a 5-2 victory.

In the only other National League games, Houston blanked Los Angeles 4-0 behind Dave Giusti and New York split a doubleheader with Pittsburgh, winning 6-5 and then losing by the same score in 14 innings.

Rojas had opened the Phillies 12th with a single and was sacrificed to second. Then Durocher ordered the intentional walk to Gonzalez and Allen made him regret the move.

Ferguson Jenkins, looking for his 17th victory, took a 2-1 lead into the ninth but singles by Johnny Callison, Clay Dalrymple and Gary Sutherland, tied it for Philadelphia.

Guests scattered eight hits against the Dodgers and Ron Davis' three-run double drove in all the runs he needed.

The Astros loaded the bases in the fifth on singles by Julio Gotay and Doug Rader and a walk to Rusty Staub. Then Davis' long double scored all three runs. A wild pitch and Bob Aspromonte's single drove in Davis.

It was the first shutout this season for Giusti, who won his ninth game. After the game, the Astros announced the trade of Ed Mathews to the Detroit Tigers.

Bud Harrelson's first major league homer, an inside-the-park shot that eluded Pittsburgh rightfielder Al Luplow, broke a 4-4 tie in the eighth inning of the first game and helped the Mets to their victory.

Harrelson popped the ball into short right, and Luplow missed a shoestring catch and then lost the ball in the Pirate bullpen as Harrelson circled the bases.

Juan Pizarro, loser in the opener, came out of the bullpen and picked up the second game victory when Manny Mota singled Roberto Clemente across with the winning run in the 14th inning. Clemente, who drove in

the tying run in the ninth inning, started the winning rally with a single.

The Mets collected 34 hits in the doubleheader—seven of them by Cleon Jones. Pittsburgh had 29 hits in the two games.

Michigan Miss Diving Champ

PHILADELPHIA (AP) — "This was just the beginning," gushed a pert blonde Air Force lieutenant Thursday after she won the one-meter springboard diving title at the annual Women's National AAU Swimming and diving championships.

Micki King, who nine months ago started a tour of duty with the ROTC detachment at the University of Michigan, was looking ahead to today's three-meter competition and a possible double triumph. She said she wouldn't be adverse to also winning the 10-meter platform event, and an eventual Olympic berth.

The three-meter competition was one of six finals scheduled for today, the second of the four-day annual Nationals. Also up for grabs were titles in the 100-meter backstroke, 400-meter freestyle, 200-meter individual medley, 800-meter freestyle relay, and one of two men's events in the show, the 100-meter freestyle.

There was only one event on Thursday's schedule and Miss King, who has been diving since she was 10 years old in Pontiac, Mich., won that with a score of 487.80. She upset Mrs. Joel Lenzi O'Connell, the defending one-meter champion of Santa Clara (Calif.) Swim Club.

Miss King, who claims to be too much in love with a diving board to be concerned with the real romance, says she's working for "the ultimate, a spot on the women's U.S. Olympic team for the 1968 games in Mexico City."

OUR BOARDING HOUSE with Major Hoople

Rough Week Coming Up

Tigers Trip Boston 7-4, Get Slugger Ed Mathews

DETROIT (AP)—The Detroit Tigers, facing a rough week in the American League pennant race, reached into the National League Thursday and plucked slugger Ed Mathews to replace the injured third baseman Don Wert in their stretch drive.

Wert pulled a groin muscle against the Red Sox in Boston Thursday and may miss two or three weeks.

Tigers General Manager Jim Campbell pulled a quick trade with the Houston Astros for veteran left-handed slugger Mathews.

Mathews, 35, has hit 508 homers in his 16-year career and is topped only by Mickey Mantle and Willie Mays among active players.

The Tigers face the Cleveland Indians in a four-game series at Tiger Stadium starting tonight, then meet the leading Minnesota Twins in five games in three days.

Snag Losing Streak

Detroit snapped a Fenway Park six-game losing streak by nipping the Red Sox 7-4 in 10 innings Thursday.

Mathews, who played 15 years for the Braves at Boston, Milwaukee and Atlanta before going to the Astros in February, has played in 93 games this year. He's hitting .238, with 10 home runs and 37 runs batted in.

Campbell said Wert, hitting .252 with 29 RBIs, will not be placed on the injured reserve list, since this would make him ineligible if the Tigers make the World Series.

A player will have to be cut from the roster when Mathews reports tonight.

Campbell said the Astros will receive "a player or players" from the Tigers after the season ends. He declined to name anyone.

"I've never seen the Detroit ball park," Mathews said today. "They tell me it's a good hitters' ball park."

He said of the Astros that "I wish I had done a better job, that's all. I wasn't doing anything here for the guys."

In Third Place

The Tigers, in third place one-half game ahead of Boston, are looking beyond the Cleveland series.

"Minnesota is the team to beat," Detroit manager Mayo Smith said of the Twins, who lead Chicago by 1½ games, the Tigers by three and Boston by 3½.

"We're going to find out in a hurry whether we'll have a good shot at them," Smith said. "We have doubleheaders with them in Detroit Tuesday and Wednesday and a single game Thursday. Then we'll still have three games left with them in Minnesota."

Smith's mood was tempered after the Tigers blew a four-run lead in the club's final game in Boston. Even the two-out rally in the 10th, with three runs Stanley, a triple by Norm Cash, two walks and two errors by Joe Foy, failed to cheer him.

"After losing six straight here, we finally won one," Smith said. "There's really nothing much more to say. It was nice to see the two homers by Willie Horton and one by Al Kaline. However, Horton still is bothered by the tendon in the left foot."

"Willie isn't 100 per cent healthy and has been playing only periodically. He faces surgery at the end of the season. And now we have more bad news. Wert suffered a pulled

groin muscle on the right side, fielding a slow topper in the eighth. That's going to hurt. He'll probably be out at least two or three weeks."

Lyle Gets Careless

Boston Manager Dick Williams said "It's a rough one to lose after battling back with three runs in the eighth. Kaline made a perfect throw to get Jerry Adair at the plate to prevent a run in the eighth. Then Sparky Lyle got careless in the 10th."

"Cash hadn't got a foul off Lyle in about five times at bat this season. Then, with two strikes, Lyle got careless and threw one right down the middle. It hurts to lose one like this."

Right-hander Earl Wilson, a former Boston player, was even unhappier. He hid in the Detroit training room, bitter over being removed by Smith in the sixth. That cost him a shot at his 17th victory.

Detroit started the game with a bang. Kaline walked in the first inning and Horton followed with his 15th homer. The next time he got up, Wonderful Willie banged another into the left-centerfield screen.

The Tigers added one in the fifth when Kaline crashed his 20th homer into the leftfield screen.

Boston got one back in the sixth on singles by George Scott, Tony Conigliaro and Adair. The three hits did it for Wilson and Fred Lasher relieved him and got the last out.

Eddie Ranks With Game's Great Hitters

HOUSTON, Tex. (AP)—Eddie Mathews says it's never nice to be traded but when it happens it's nice to be traded to a contending team.

The veteran infielder commented to newsmen Thursday night moments after the Houston Astros disclosed he had been traded to the Detroit Tigers for a player or players to be named at the end of the season.

Mathews, 36, hit his 500th home run July 14 to become the seventh player to achieve this mark. He now has 508 home runs, including 10 this year.

In joining the Tigers, Mathews will be playing for his third team in a 15-year major league career.

He was a star third baseman for the Braves for 14 years, playing for them in Boston, Milwaukee and Atlanta.

Mathews came to Houston last winter in a trade with the Braves which sent pitcher Bob Bruce and outfielder Dave Nicholson to Atlanta.

He has been used at both first base and at third base in 101 games with the Astros. The veteran left-hander is batting .238 and has driven in 38 runs.

"It's never nice to get traded," he said. "As long as I'm going to be, it's nice to go to a contender. I've never seen the Detroit ball park, but they've told me it's a good hitters' park."

Mathews has declined to predict how many home runs he will hit, but barring injury he appears a cinch to top Mel Ott's 511.

"I don't think about records," he said. "I just want to help the team I'm with."

Retirement is also something Mathews doesn't care to talk about.

"I still feel I have a few years left," he said, "although I'm

In the eighth, Carl Yastrzemski walked, Scott beat out a slow roller and Conigliaro snapped a grounder through Ray Oyler's legs for an error, scoring Yastrzemski. Adair doubled Scott home and Jose Tartabull singled, scoring Conigliaro. But Kaline threw out Adair at the plate.

In the 10th, with two out, Stanley singled and Cash tripled him home. Jim Northrup and Bill Freehan walked to load the bases and Jerry Lumpe rolled a grounder toward Foy. He bobbled it for one error, allowing Cash to score, then threw into the Red Sox dugout for another, letting Northrup home.

Gladding set the Sox down in order in the bottom of the 10th to even his record at 4-4.

Lions Get Another Look Sunday At Rookies Mel Farr, Nick Eddy

SAN DIEGO, Calif. (AP)—Are rookies Mel Farr and Nick Eddy for real?

The Detroit Lions get another look at the talented two Sunday afternoon against the San Diego Chargers of the American Football League.

It will be the third—and last—look at an AFL team for the Lions this year. After losing to Denver 13-7 in their exhibition opener, the Lions nipped Buffalo 19-17 Monday night.

San Diego has lost to Oakland 24-23 and beaten Miami 20-19. Farr and Eddy missed the Denver mishap by playing in the College All-Star game the night before. But against Buffalo, they scored the only Detroit touchdowns.

Farr caught a 38-yard touchdown pass from Milt Plum and Eddy ran a punt back 75 yards

for a touchdown the first time he touched the ball as a pro. "The kids gave everybody a big lift," said Coach Joe Schmidt. "They still have a lot to learn. But they look like they have a fine pro future."

Len Barney, a highly touted rookie cornerback, missed the Buffalo game due to a family emergency. He's expected to play against San Diego and may do the punting.

Pat Studstill, hobbled by an ankle injury, hasn't played yet this year. He punted a few minutes at flanker against Buffalo. With Barney, the No. 2 punter out, end Bill Malinchuk took over the duties for Studstill and netted only 183 yards on six punts.

"I really think I'd rather catch the ball," Malinchuk said. The second-year receiver caught

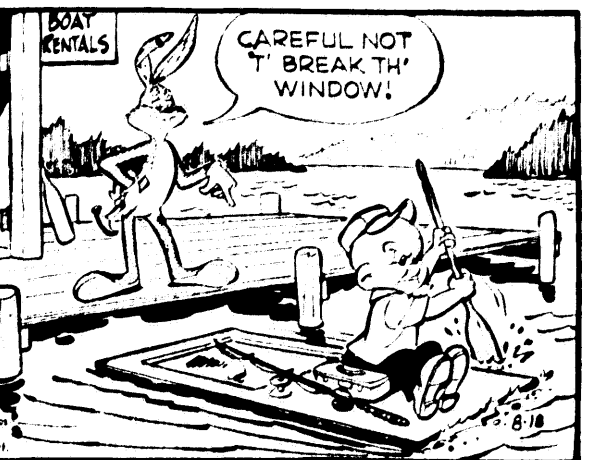

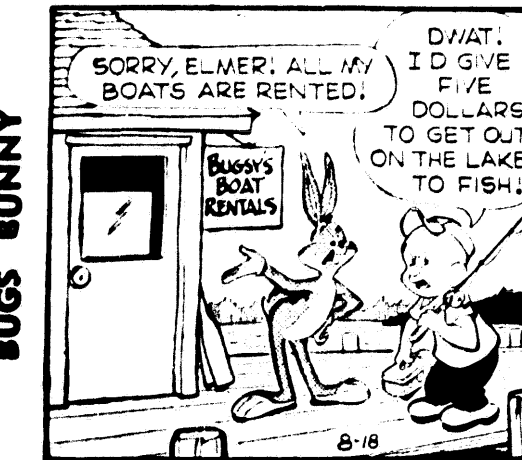

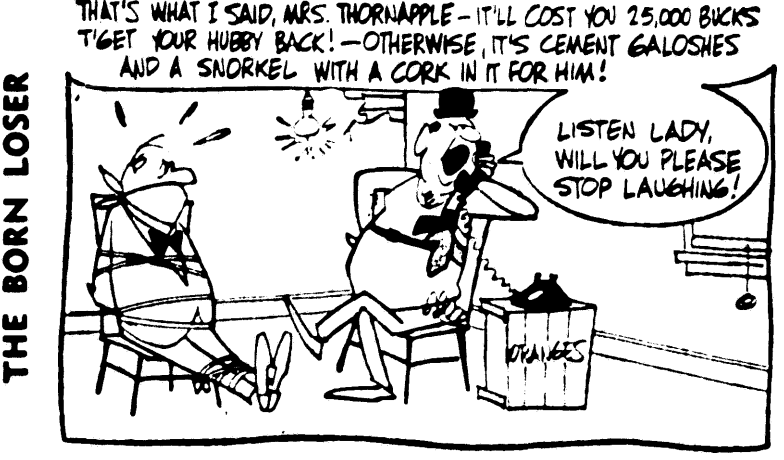

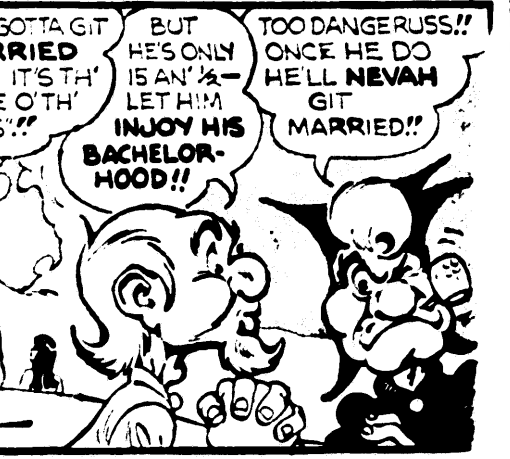

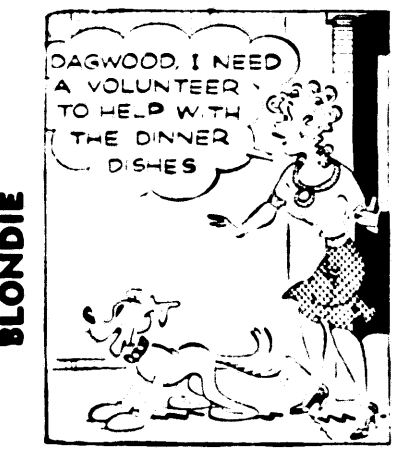

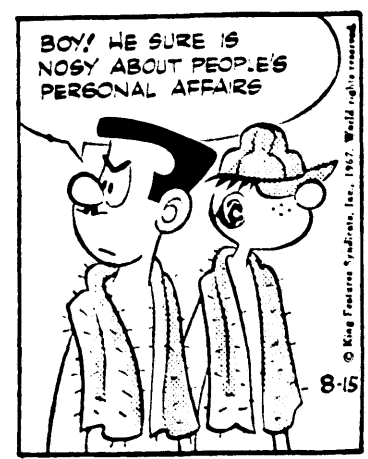

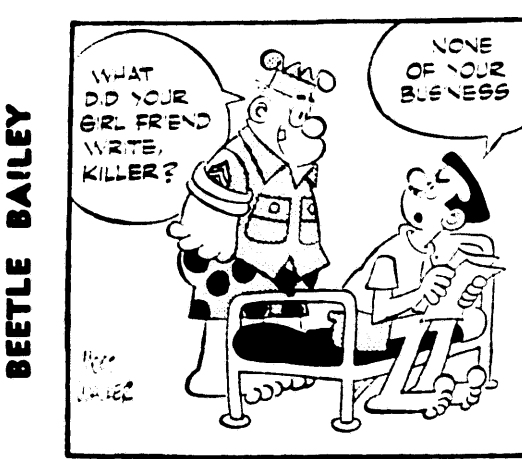

four against Buffalo for 95 yards. He's caught 11 for 208 yards and one touchdown so far during the exhibition season.

The Lions are solid at right cornerback with Dick LeBeau signed, but the other side still is something of a question.

Charger quarterback John Hadl and receivers such as Lance Alworth will test the Detroit pass defenses severely.

Schmidt, now 1-1 in his new career as a head coach, kept mum on who will start for the Lions at quarterback. Karl Sweeten started against Denver and both he and Plum played a half. Against Buffalo, Plum started and played three quarters.

The Lions still are having trouble developing a running game, but the defense appeared much improved against Buffalo.

Service Emblem Collection Stars In Hobbycrafts

A great variety of interesting entries are to be seen this year in the Hobbycraft Department at the Fair. A collection of U. S. Military Service emblems was the first sweepstakes winner in the Senior division, entered by John Pearson of Iron Mountain.

Second sweepstakes winner was Allan LaPorte, of Menominee, for his taxidermy collection. Junior sweepstakes were taken by two electronic displays, first prize going to John Diedrich, Escanaba; and second to Tom Sealander of Escanaba.

Other Senior winners were Ray Johnson, Bark River, a first for a belt and holster in leathercraft; Zola Beauchamp, Gladstone, first for her apple dolls; Allan Smith, Iron Mountain, first for his ship model; and Albert Murray of Escanaba, a first for his rock collection. In Senior woodwork, Barb La Tendresse of Baraga won first for two cutting boards and a rolling pin; and in wood carving, first went to Dorothy Ayotte, Hermansville, for an Indian figure. In Senior wall decorations Raymond Roy, Escanaba; Joyce Trombley, Escanaba; and Mrs. Beaumier of Gladstone took firsts.

In the Rocking Chair Division Mrs. Alice Allen, Escanaba, was awarded a first for an embroidered handbag; Amy Thorin, Escanaba, took a second for her hand-made note paper; and Emma Petonquet received second for a woven basket.

Other firsts for the over 65 group were given to Emil Leadmen, Escanaba, for his rug; to Jack Christiansen of Crystal Falls for a bread board, and for his driftwood arrangement. Nick Larson, Crystal Falls, received a second for his spool bed. Katherine Kucymaki, Crystal Falls, also took a first for her doll.

Outstanding in the Junior department is a card table with inlaid checkerboard, made by Donald Dominick of Ensign, which took a first prize. Other prize winners in the Junior section were Stephen Framarinen, Karen Wellman and Daniel LaMarche of Escanaba; Cheryl LeClaire, Gladstone; Carrie Revis, Bark River; and Patsy Viaw, Bark River.

Lee Erickson, Escanaba, was first for his polished and shaped stones. Linda Kopecky, Cornell, took first for a stone collection with fossils. Other firsts were taken by Sandy Sanville, James Collins, Daniel Macosky, Niel Burkart, and Stephen Breault, all of Escanaba.

Projects completed include intersection improvement and paving on U. S. 2 at the intersection with County Road 521 near Hyde west of Escanaba. Fox Valley Construction Co. of Appleton was the contractor on the \$22,594 project. Bids were taken in June and the entire cost was financed with state funds.

MISS MEEKEO YOSHIKUMI (left) and Mrs. Takako Kodama, both of Tokyo, take part in a city reception for delegates to the 27th International Congress of Orientalists at the University of Michigan, Japan, with 150 delegates, has the largest representation of any country outside the United States at the congress. A total of 1,600 delegates from more than 50 nations are attending. (AP Wirephoto)

Dearborn To Vote On Stop And Frisk Law

DEARBORN (AP)—Voters in this Detroit suburb will be asked their opinion in the Sept. 12 primary about the controversial stop-and-frisk law.

The City Council, acting on the recommendation of Mayor Orville L. Hubbard, voted to place the advisory question on the ballot following a stormy session.

Councilman John Baja, who dissented, termed the advisory vote a "waste of time," adding the law should be enacted and left to the courts to determine its legality.

The law, considered in Detroit briefly, has not been drawn into legal form in Dearborn, but in

essence would allow police officers to stop and search any person suspected of criminal action or intent.

Hubbard, mayor of Dearborn's 112,000 residents for 27 years, and considered a proponent of the separate but equal theory of civil rights, said he felt "99 and 44-100th per cent of the people in Dearborn" would support the plan.

Rock

Briefs

Mrs. Jennie Peura of Marquette is spending a few days with Mrs. Josephine Lepisto.

Mr. and Mrs. Eino Tapola and family have returned to Germantown, Wis., after a two week vacation. During their vacation they visited relatives in Canada, Expo '67 and relatives in Rock.

In Service

Marine Private First Class Lyle L. Leonard, son of Mr. and Mrs. Lyle L. Leonard of 1503 N. 16th St., Escanaba, is serving with the Third Battalion, Fifth Marine Regiment, a unit of the First Marine Division in Vietnam.

As part of the Marine Corps air-ground team, the mission of his unit is to search out and destroy the enemy forces operating in South Vietnam. The unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools.

Equipment and materials for the materials for the project are made available through the Marine Corps Reserve Civic

Homestead Title To Golf Course In Antique Show

Many fascinating old objects are entered in the Antique Department at the Fair this year. Among the prize winners is a Homestead Title

for the land which is now the Gladstone Golf grounds, and a New York Herald newspaper dated April 15, 1865, announcing the death of Abraham Lincoln, and entered by Phyllis Bennett of Escanaba.

Mrs. George Semmons, Escanaba, won prizes for her cherry pitter and a handgun. Sharon Fosmo, Escanaba, took a prize for a fine old copper teapot. A candle snuffer won for Mable Swanson, Rapid River, and a sausage stuffer for Mrs. Herman Erdman of Iron Mountain. Mrs. Erdman also took prizes for a group of cookie cutters and a woven shawl.

First place in cut glass went to Mrs. John Heifert of Escanaba; and in silverware to Cheryl Jarvey, Gladstone, for a tea set.

Other prize winners were Wendell Beauchamp, Gladstone, for baby shoes and for a book; Ann Bonnett, Calmar, for a creamer and sugar set; Mrs. Clifford Grun, Escanaba, for a fruit dish, and Mrs. Mabel Swanson, Rapid River, for a milk glass dish.

State Service Aims At Easing Teacher Shortage

LANSING (AP)—The State Education Department has started a new service of steering teachers into job opportunities in Michigan school districts.

Dr. Ira Polley, state superintendent of public instruction, said the no-fee employment service is aimed at easing the teacher shortage in the state.

Teachers both in and outside Michigan seeking positions anywhere in the state will be able to contact all schools in a particular area to make the entire job-seeking process much quicker and easier, Polley said.

Polley said he believes this is the first such program in the country.

"There is a lack of fully qualified teachers in Michigan," Polley said. "We feel that if teachers can easily move from one part of the state to the other they may stay in the teaching profession and help ease the shortage."

The service does not place teachers in jobs but puts the applicants in touch with schools in the geographic area in which they have expressed an interest.

About 98 per cent of all checks collected and cleared by the Federal Reserve System are coded in magnetic ink, which allows high-speed automatic handling.

Action Fund. Marines in Vietnam provide the know-how and guide the Vietnamese people in carrying out these projects.

Fire Chief Hurt In Fall Off Truck

ADDISON (AP)—Fire Chief Richard Schilling, 33, of Addison was reported in serious condition today after falling from the rear of a fire engine which was responding to an alarm.

State police of the Clinton post said Schilling, chief of the Addison and Woodstock Township fire units, was riding the rear platform when he fell off Wednesday night.

Doctors at University Hospital, Ann Arbor, said he suffered severe head injuries.

The Giant's Causeway is along the northern coast of County Antrim in Northern Ireland.

JOAN LESLIE BLEWETT, a June graduate from Northern Michigan University, has joined the staff of the Mid-Peninsula Library Federation. Miss Blewett will be in charge of cataloging and classification for the Federation, which serves Alger, Delta, Dickinson, Iron, Menominee and Schoolcraft counties. She was graduated from Ishpeming High School in 1963 and her experience includes part-time and summer work at the Ishpeming Public Library between 1960 and 1966.

Priest Marks Golden Jubilee

Fr. Valerian Pach, O. F. M., who at one time assisted at Catholic churches at Perronville and Bark River, celebrated the golden jubilee of his religious profession as a Franciscan recently at St. Bonaventure Prep School, Sturtevant, Wis.

Fr. Pach has been director of the friary farm for the last 33 years. He entered the Franciscan order in 1916, made his profession of vows in 1917, and was ordained in 1924.

He has been a teacher, superior of the Sturtevant Friary for 12 years and provincial definitor besides running the farm. He assisted at one time at St. Michael's Church, Perronville, and St. George's Church, Bark River.
